

The Names of God

[Intro]

Every name reveals Your glory,
Every name declares who You are.
From the pages of Your story,
You have shown us Your faithful heart.

[Verse 1]

Yahweh—You are the great “I AM,”
The One who was and is to come.
Forever faithful, forever true,
There is no other God like You.

Elohim—Creator of all,
You made the heavens, great and small.
You spoke the light and stars appeared,
The mighty God who draws us near.

[Pre-Chorus]

Every name is a promise,
Every name is true.
Every name gives us another reason
To lift our praise to You!

[Chorus]

We sing the names, the names of God,
The names that tell us who You are.
Our Healer, Shepherd, Prince of Peace,
The God who gives us victory.

We sing the names, the names of God,
With joyful hearts, we lift them up.
From age to age, You're still the same—
There's power and hope in every name!

[Verse 2]

El Shaddai—God Almighty,
Your strength will always carry me.
When I am weak, You make me strong,
In Your great arms is where I belong.

Adonai—my Lord and King,
You rule above all living things.
I gladly place my life in Your hands;
You lead my heart, You guide my plans.

The Names of God

El Elyon—God Most High,
Exalted far above the sky.
No throne, no power can rise above
The King of mercy, truth, and love.

[Pre-Chorus]

Every name is a promise,
Every name is true.
Every name gives us another reason
To lift our praise to You!

[Chorus]

We sing the names, the names of God,
The names that tell us who You are.
Our Healer, Shepherd, Prince of Peace,
The God who gives us victory.

We sing the names, the names of God,
With joyful hearts, we lift them up.
From age to age, You're still the same—
There's power and hope in every name!

[Verse 3]

Yahweh Jireh—You provide,
You see each need and stand beside
The ones who trust You day by day;
You always make a faithful way.

Yahweh Rapha—You restore,
You heal the wounded heart once more.
You give us strength, You make us whole;
You bring Your healing to the soul.

Yahweh Shalom—You are peace,
You calm the storm and bring relief.
When fear surrounds us in the night,
Your perfect peace becomes our light.

[Verse 4]

Yahweh Nissi—our banner high,
You lead Your people through the fight.
The battle's Yours, the victory's won;
We overcome through what You've done.

Yahweh Rohi—Shepherd true,
You lead us on and guide us through.

The Names of God

Beside still waters, day by day,
You guard our steps and show the way.
