

# I Am Nothing Without Your Love

## [Intro]

I am nothing, absolutely nothing  
Oh, I am nothing without Your love  
I am nothing, absolutely nothing  
Oh, I am nothing without Your love

## [Verse 1]

You cover me, Lord, in Your great mercy  
You show forgiveness  
When all I've ever done was wrong

You never turned away from me  
You still reached out Your hand  
You saw the broken part of me  
And helped me understand

I am nothing without Your love, Nothing without Your love my lord  
Nothing without You lord, I need your love from above  
That's why I am nothing without your love

## [Pre-Chorus]

That I can't stand without You  
I can't breathe without your grace  
But when Your love surrounds me  
You put hope back in its place

## [Chorus]

I am nothing without Your love  
I am nothing without You, Lord  
You made the perfect sacrifice  
So that we can all have everlasting life

Oh, I'm nothing, simply nothing  
Absolutely nothing without You, Lord  
Without Your love  
Without Your love

## [Verse 2]

You take away my sin  
And make me whole again  
Through Your redeeming blood  
Your everlasting love

You lift me from the ashes  
You wash away my shame  
You call me Your beloved  
And You give me a brand-new name

# I Am Nothing Without Your Love

I am nothing without Your love, Nothing without Your love my lord  
Nothing without You lord, I need your love from above  
That's why I am nothing without your love

## **[Pre-Chorus]**

I don't deserve Your mercy  
I don't deserve Your grace  
But still You call me closer  
And I see Your holy face

## **[Chorus]**

I am nothing without Your love  
I am nothing without You, Lord  
You made the perfect sacrifice  
So that we can all have everlasting life

Oh, I'm nothing, simply nothing  
Absolutely nothing without You, Lord  
Without Your love  
Without Your love

## **[Bridge]**

Without Your love, I'd be lost forever  
Without Your grace, I'd fall apart  
Without Your blood, I'd have no answer  
Without Your Spirit in my heart

But with Your love, I am forgiven  
With Your grace, I'm born again  
With Your blood, I have redemption  
And Your love will never end

## **[Hook – Choir / Repeatable]**

Nothing without Your love  
Nothing without Your grace  
Nothing without the mercy  
That shines from Jesus' face

Nothing without Your love  
Nothing without You, Lord  
You are my life forever  
The One I'm living for

## **[Final Chorus]**

I am nothing without Your love  
I am nothing without You, Lord  
You made the perfect sacrifice  
So that we can all have everlasting life

# I Am Nothing Without Your Love

Oh, I'm nothing, simply nothing  
Absolutely nothing without You, Lord  
Without Your love  
Without Your love

I am nothing without Your love, Nothing without Your love my lord  
Nothing without You lord, I need your love from above  
That's why I am nothing without your love

## **[Outro]**

I am nothing, absolutely nothing  
Oh, I am nothing without Your love

But in Your love, You make me whole  
In Your love, You save my soul  
I am nothing without You, Lord  
Without Your love  
from up above
