

You Can Bear Good Fruit

[Intro]

You can bear good fruit
You can bear good fruit
You can bear good fruit
Now you know it's true

[Verse 1]

You can bear good fruit
You can bear good fruit
If you trust in the Lord

He planted it in you
So that you can bear good fruit
Shining through you

You can bear good fruit
You can bear good fruit
Now you know it's true

You have been crucified with Christ
And now Jesus Christ is within you
And He will make you bear good fruit in your life
And you will grow stronger every day

[Chorus]

You can bear good fruit in you
You can bear good fruit in you
If you just trust in the Lord

You now have Christ in you
So that you can bear good fruit
Shining through you

You can bear good fruit
You can bear good fruit
Now you know it's true

He planted it in you
His love is shining through
You can bear good fruit
Christ is living in you

[Verse 2]

Take a look at the fruit of your life
And determine if it's good or bad

You Can Bear Good Fruit

But if the Spirit of God is in you
You gotta know that
You will bear good fruit

Repentance occurs
Jesus is accepted
Forgiveness is yours
And then grace is given

The love of God is shed in your heart
Your life is changed
You seek after God

You can bear good fruit
You can bear good fruit
Now you know it's true

[Chorus]

You can bear good fruit in you
You can bear good fruit in you
If you just trust in the Lord

You now have Christ in you
So that you can bear good fruit
Shining through you

You can bear good fruit
You can bear good fruit
Now you know it's true

He planted it in you
His love is shining through
You can bear good fruit
Christ is living in you

[Verse 3]

The old life fades
And the new life grows
The Spirit leads the way
And your heart will know

Sometimes the branch must be pruned
So the fruit can grow
Sometimes the heart must be tested
So your faith can show

You Can Bear Good Fruit

But the Father is working
Deep inside your life
Turning darkness into light
Making all things right

So don't give up
And don't turn away
Keep trusting the Lord
Each and every day

You can bear good fruit
You can bear good fruit
Now you know it's true

[Bridge]

Love, joy, peace
Patience and kindness
Goodness and faith
Will rise up inside us

Gentleness and self-control
The Spirit makes us new
When Jesus lives inside your heart
His fruit will grow in you

Stay close to the Vine
And His life will shine
He planted it in you
Shining through you

Stay close to the Vine
And His life will shine
You can bear good fruit
Now you know it's true

[Final Chorus]

You can bear good fruit in you
You can bear good fruit in you
If you just trust in the Lord

You now have Christ in you
So that you can bear good fruit
Shining through you

You Can Bear Good Fruit

You can bear good fruit
You can bear good fruit
Now you know it's true

He planted it in you
His love is shining through
You can bear good fruit
Christ is living in you

Take a look at the fruit of your life
And determine if it's good or bad
But if the Spirit of God is in you
You gotta know that
You will bear good fruit
You can bear good fruit

[Outro]

You can bear good fruit
You can bear good fruit
If you trust in the Lord

He planted it in you
So that you can bear good fruit
Shining through you

You have been crucified with Christ
And now Jesus Christ is within you
And He will make you bear good fruit in your life
And you will grow stronger every day

You can bear good fruit
You can bear good fruit
Now you know it's true

You can bear good fruit
You can bear good fruit
Christ is living in you

You can bear good fruit
You can bear good fruit
Now you know it's true
