

Faith

[Intro / Hook]

Give glory to your God, through your faith, I say
Give glory to your God, through your faith today

Give glory to your God, through your faith, I say
Give glory to your God, through your faith today

[Verse 1]

Faith is the assurance of things that are hoped for
Faith is the belief in things you cannot see
Faith is knowing that Jesus is living within me
Faith in God is all you're ever going to need
And He will save you

[Pre-Chorus]

Faith in your salvation
Faith that God's work will be done
Faith in His promises
Faith in His only Son

[Chorus]

Faith
Without faith, there's nothing bigger than you
Faith
Without faith, there's no eternal life in you
Faith
Without faith, you'll live a life with little meaning

The measure of faith in you
Is the measure of Christ in you

[Post-Chorus / Title Hook]

I am based in faith
Rooted in grace
Standing on the promise
That will never fade away

I am based in faith
Held by His love
Trusting in the Father
And Jesus Christ above

[Verse 2]

As you pray to your Father tonight
And before you turn out the light
Ask God for more faith
Ask God for more faith

Faith

Give glory to your God, through your faith, I say
Give glory to your God, through your faith today

Faith
Without faith you cannot please God
Faith
Without faith you will never see God

[Verse 3]
Faith is the power in you
To believe
Faith will move a mountain
And let you walk upon the sea

Faith in Jesus Christ who died
To set you free
Faith in the one holy God
Who provides your every need

When the road gets hard
And the night gets long
Faith will keep you standing
Faith will make you strong

When your heart is tired
And your hope feels gone
Keep your eyes on Jesus
He will carry you on

[Hook]
Give glory to your God, through your faith, I say
Give glory to your God, through your faith today

Give glory to your God, through your faith, I say
Give glory to your God, through your faith today

[Bridge]
Faith in the promise
Faith in the Word
Faith in the Father
Faith in His Son

Faith in the Kingdom
That soon is yet to come
Faith in the victory
That God has already won

If you are lacking in faith
You gotta ask for more

Faith

If you don't know where to turn to
And you don't know who to ask

Your Father God and Jesus Christ our Lord
Will give you the faith you need
Forevermore

[Build]
No one can ever take it away
If you hold your faith close in your heart
Jesus will help you
Have all the faith you need

Because He'll never leave nor forsake you
He'll never let the devil take you
Use your faith like a shield
And you will always win

[Pre-Chorus]
Faith in your salvation
Faith that God's work will be done
Faith in His promises
Faith in His only Son

[Chorus]
Faith
Without faith, there's nothing bigger than you
Faith
Without faith, there's no eternal life in you
Faith
Without faith, you'll live a life with little meaning

The measure of faith in you
Is the measure of Christ in you

[Post-Chorus / Title Hook]
I am based in faith
Rooted in grace
Standing on the promise
That will never fade away

I am based in faith
Held by His love
Trusting in the Father
And Jesus Christ above

[Final Verse / Outro]
Faith in the blood
Faith in God's love

Faith

Faith in Jesus Christ
Faith that you have a new life

Faith that the Lord is near
Faith that He holds you dear
