

Watch

[Intro / Hook]

Watch, always watch
For the Son of Man to come
Watch, always watch
For the hour is nearly gone

Watch, always watch
For Jesus Christ to come
Watch, always watch
You know He is the One

Watch, always watch
You'll never go astray
Watch, always watch
Every night and every day

Watch therefore, always
Watch and pray

[Verse 1]

Watch and pray
Don't fall asleep
The spirit is willing
But the flesh is weak

The days fly by
One after another
The condition of this world
Is like none other

In the blink of an eye
You are born and then you die
I'm not trying to make you cry
I'm just trying to wake you up

So you can open up your eyes
Lift your head and look up to the sky
Yes, look up
Yes, look up

[Chorus]

Watch, always watch
For the coming of Jesus Christ
Watch, always watch
The Son of God will change your life

Watch the way you live
Watch the way you forgive
Watch what's happening all the time

Watch

Watch, always watch
For our Lord Jesus Christ

[Verse 2]

As we watch day by day
Be sure to stay with Christ all the way
With the Father God and Jesus Christ
Living in you

Watch, always watch
Watch, always watch
No matter what you do
Remember the Lord our God
Will always live in you

[Chorus]

Watch, always watch
For Jesus Christ to come
Watch, always watch
You know He is the One

Watch, always watch
You'll never go astray
Watch, always watch
Every night and every day

Watch therefore, always
Watch and pray

[Bridge / Watchmen]

All ye watchmen gathered here today
All ye watchmen, hear what I say
Be a watchman today
Open your eyes and watch it all
That is happening today

Watch and pray
Don't fall asleep
The spirit is willing
But the flesh is weak

Watch therefore
Be ready now
Keep your eyes on the prize
And never look away

[Chorus]

Watch, always watch
For Jesus Christ to come

Watch

Watch, always watch
You know He is the One

Watch, always watch
You'll never go astray
Watch, always watch
Every night and every day

Watch therefore, always
Watch and pray

[Verse 3]
Watch the awesome power of our God
Watch for signs of Yahweh in your life
He is the peace that you need
So watch the way you act
And who you want to be

Watch the way you live
Watch the way you give
Watch the way you walk in the light
Watch, always watch
For our Lord Jesus Christ

[Final Chorus / Outro]
Watch, always watch
Watch, always watch
The way you live

Watch, always watch
Watch, always watch
The way you give

Watch, always watch
For our Lord Jesus Christ
Watch and pray, watch and pray
Throughout all of your life

Watch, pray, watch
Through all of your life
Keep your lamp burning bright
For our Lord Jesus Christ

Watch, always watch
Watch and pray
Watch, always watch
Every night and every day
