

I've Been Crucified With Christ

[Intro / Hook]

No longer I, but Christ in me
No longer chained, now I am free
Buried with Him, raised to life
I've been crucified with Christ

[Verse 1]

I was once alive to sin
But I was dead to God
I lived the life of a lost soul
With no future, with no hope

But thanks be to God
That He saved me from sin
And made me a slave to righteousness
I'll never turn back again

[Pre-Chorus]

The old man died
The new man lives
I gave Him my life
And He gave me His

[Chorus]

I've been crucified with Christ
I'm no longer a slave to sin
I've been justified and qualified
To become a son of God

I've been crucified with Christ
I take up my cross every day
All my sins are washed away
By the blood of the cross

That's why

I've been crucified with Christ
crucified with Christ, since I let the Lord in my life
ever since then, I've been crucified with Christ
Thru His Holy blood I now have eternal life

[Post-Chorus Hook]

No longer I, but Christ in me
No longer chained, now I am free

I've Been Crucified With Christ

Buried with Him, raised to life
I've been crucified with Christ

[Verse 2]

I know that I was a sinner
I know I don't deserve it
I never was a winner
I just went my own way

Every day, I wandered farther
Every day, I went astray
But the Father sent His only Son
To come to guide me along the way

[Pre-Chorus]

The old man died
The new man lives
I gave Him my life
And He gave me His

[Chorus]

I've been crucified with Christ
I'm no longer a slave to sin
I've been justified and qualified
To become a son of God

I've been crucified with Christ
I take up my cross every day
All my sins are washed away
By the blood of the cross

That's why

I've been crucified with Christ
crucified with Christ, since I let the Lord in my life
ever since then, I've been crucified with Christ
Thru His Holy blood I now have eternal life

[Verse 3]

Now sin has lost its power
And death has lost its sting
I am alive to the Father
Through Jesus Christ the King

I've Been Crucified With Christ

I was buried in His mercy
I was raised up by His grace
Now I walk in newness of life
And I seek my Father's face

[Bridge]

Crucified with Christ
Let Him in your life
Crucified, crucified
He can turn around your life

Turn around, turn around
Leave the old life behind
Crucified with Christ
Let Him renew your mind

Crucified with Christ
Let Jesus Christ come in
He will wash you clean
And free you from your sin

[Breakdown / Hook]

No longer I, but Christ in me
No longer chained, now I am free
Buried with Him, raised to life
I've been crucified with Christ

No longer I, but Christ in me
No longer blind, now I can see
The life I live, I live by faith
In the Son of God who died for me

[Final Chorus]

I've been crucified with Christ
I'm no longer a slave to sin
I've been justified and qualified
To become a son of God

I've been crucified with Christ
I take up my cross every day
All my sins are washed away
By the blood of the cross

I've Been Crucified With Christ

That's why

I've been crucified with Christ
crucified with Christ, since I let the Lord in my life
ever since then, I've been crucified with Christ
Thru His Holy blood I now have eternal life

[End / Repeat Hook]

No longer I, but Christ in me
No longer chained, now I am free
Buried with Him, raised to life
I've been crucified with Christ

Crucified with Christ
Let Him in your life
Crucified with Christ
He can turn around your life

Crucified with Christ
Let Jesus Christ come in
I've been crucified with Christ
And I'll never go back again
