

Fight the Devil

[Intro / Fight Chant]

Fight the Devil, you gotta
Fight the Devil, fight the Devil
With the blood of Jesus Christ
Oh yeah, fight the Devil

Fight the Devil, you can fight the Devil
Fight the Devil
With the help of Jesus Christ
Oh yeah, fight the Devil, fight the Devil
With your King, your Coach, Jesus Christ

[Verse 1]

He will never let you down
He'll be with you all the way
Don't let Satan take you under
Don't let him knock you down today

When he tries to steal your courage
When he tries to pull you low
You gotta get up right away
You know you gotta get up and go

[Pre-Chorus]

Stand your ground, don't turn and run
The battle is fierce, but the war is won
Submit to God, don't give in
Resist the devil and fight to win

[Chorus]

Fight the Devil, you gotta fight the Devil
Fight the Devil, Christ took his strength away
Fight the Devil, you gotta fight the Devil
You can overcome today

Put on the whole armor of God
Stand your ground and lift your eyes
With the shield of faith held high
You can stop those fiery arrows flying by

Fight the Devil, fight the Devil
Fight the Devil
You will win, you will win

[Verse 2]

When the devil throws at you
Fiery arrows through your heart
He tries to make you bitter
And tries to tear your world apart

Fight the Devil

When everything feels like it's closing in
Turn your face to God
Claim the blood of Jesus Christ
Stand up against him and fight to win

[Pre-Chorus 2]

Buckle truth around your waist
Let righteousness guard your heart
Walk in peace with steady feet
And never let the darkness start

Take the helmet of salvation
Let it guard your heart and mind
Take the sword of the Spirit
God's living Word every time

[Chorus]

Fight the Devil, you gotta fight the Devil
Fight the Devil, Christ took his strength away
Fight the Devil, you gotta fight the Devil
You can overcome today

Put on the whole armor of God
Stand your ground and lift your eyes
With the shield of faith held high
You can stop those fiery arrows flying by

Fight the Devil, fight the Devil
Fight the Devil
You will win, you will win

[Verse 3]

Study God's Word every morning
Let it burn inside your soul
Sing your praise songs in the battle
Let His worship make you whole

Pray every day to the Father
In the name of Jesus Christ
Fast and seek His holy purpose
Let His will become your life

Set your goals to be His goals
Let His work be what you do
When the devil comes against you
God will make a way for you

[Bridge]

Don't let your flesh have power over you

Fight the Devil

Fight the Devil
Put away your boastful heart and wandering eyes
Fight the Devil

Humble yourself before the Lord
And He will lift you up
Clean your hands and guard your heart
And trust the Savior's blood

Don't let anger take your spirit
Don't let pride come walking in
Don't let fear become your master
Stand in Christ and fight to win
