

Dry Bones

[Intro – Soft / Spoken]

Can these bones live?
Only You know, Lord
Only You know

[Reggae Rap Intro]

Dry bones, dry bones

You will live again

Dry bones, dry bones

Jesus is your friend

Dry bones, dry bones

The breath of God has come

Dry bones, dry bones

It's resurrection for everyone

Dry bones, dry bones, dry bones

You will live again

Dry bones, dry bones, dry bones

Your death was not the end

[Verse 1]

Many live today without You, Lord
Walking roads that feel so cold
Eyes are searching for a voice
For someone true to call them home

Across the land, the bones are scattered
Lives once full, now torn apart
The bones of sons, the bones of fathers
The bones of every broken heart

[Pre-Chorus]

Then I heard Your voice in the valley
And the wind began to rise
You said, "Speak to what looks finished
Call the dead back into life"

[Chorus]

Dry bones, hear the word of the Lord
Stand up now, you're not forgotten anymore
Breath of God, come from the four winds
Let the Spirit move again
Dry bones, dry bones
You shall live again

Dry Bones

[Hook]

Dry bones, dry bones
You will live again
Dry bones, dry bones
Jesus is your friend

Dry bones, dry bones
The breath of God has come
Dry bones, dry bones
It's resurrection for everyone

[Verse 2]

No matter where they sleep today
No matter how long they have been gone
The Father knows them all by name
And He can raise them one by one

From dust and silence, hope is rising
From every grave and every land
Sinew, flesh, and breath from heaven
By the power of God's command

[Pre-Chorus]

Then the valley started shaking
Mercy thundered through the ground
What was lost began returning
When the voice of God came down

[Chorus]

Dry bones, hear the word of the Lord
Stand up now, you're not forgotten anymore
Breath of God, come from the four winds
Let the Spirit move again
Dry bones, dry bones
You shall live again, in the name of Jesus Christ

[Hook]

Dry bones, dry bones
You will live again
Dry bones, dry bones
Jesus is your friend

Dry bones, dry bones
The breath of God has come
Dry bones, dry bones
It's resurrection for everyone

Dry Bones

[Bridge – Build Bigger]

Open the graves
Call out the names
Bring back the sons and daughters
Pour out Your Spirit
Let every soul hear it
Come to the living water

On the Last Great Day
Let the thirsty come
To the Father through His Son
From the dust of the earth
To the light of Your kingdom
Let Your will be done

[Verse 3 – Resurrection / Transformation]

The dead shall hear the voice of God
The sleeping ones shall rise
The mortal shall be changed in glory
In the twinkling of an eye

Those who are not changed they didn't know Jesus
They didn't do what is right, after they are judged
They will be given a second chance to do it again

With the saints of God showing them the way to live
In the great and glorious the kingdom of Jesus Christ

That's where the weak made strong, what was lost will be restored
The blind will finally see
When they come before the Lord
and they will be standing in victory, finally loving
The risen Lord

[Final Chorus]

Dry bones, hear the word of the Lord
Stand up now, you're not forgotten anymore
Breath of God, will come from the four winds
Let the Spirit move again
Dry bones, dry bones
You shall live again, in the name of Jesus Christ, You shall live again

[Final Hook – Big / Repeating]

Dry bones, dry bones
You will live again

Dry Bones

Dry bones, dry bones
Jesus is your friend

Dry bones, dry bones
The breath of God has come
Dry bones, dry bones
It's resurrection for everyone

Dry bones, dry bones, dry bones
You will live again
Dry bones, dry bones, dry bones
Your death was not the end

Dry bones, dry bones, dry bones
You will live again
Dry bones, dry bones, dry bones
Your death was not the end

[Ending – Soft]

Can these bones live?
Yes, Lord, they can
When You breathe on them
They stand

Dry bones
Dry bones
You will live again
