

Heal me Lord

Heal me Lord

*Wash me with the water of Your word
And cleanse my soul, cleanse my soul
Now take away all sin that is in my heart
And wash me clean, wash me clean,
And make me whole*

*It's a hard life we live, I say
Without the Lord Jesus
Helping us along the way*

*Heal me Lord – oh, Heal me Lord
Heal me Lord – oh, Heal me Lord
Heal me Lord – oh, Heal me Lord
Heal me Lord – oh, Heal me Lord I pray*

*I know that You can do it
If it is Your will oh, Lord my God
You know all that's been happening to me
I know You know that's why I need healing
Right now, within me.*

*Heal me Lord - take away the pain
Heal me Lord – make me new again
Heal me Lord – with Your holiness*

Heal me Lord

*Heal me Lord – Heal me Lord I pray
I give to You my broken life and my weary soul
And now You're in control
Just heal me Lord
Heal me Lord*

*Wash me with the water of Your word
And cleanse my soul, cleanse my soul
Now take away all sin that is in my heart
And wash me clean, wash me clean,
And make me whole*

*It's a hard life we live, I say
Without the Lord Jesus
Helping us along the way*

*Heal me Lord - Heal me today
Heal me Lord – Heal my broken soul
Heal me Lord – Heal me all the way
Heal me Lord – Heal me Lord I pray*

All along the way
I pray that You will heal me Lord today*
