

City of the Living God

[Intro / Hook]

City of the Living God
City of the Living God
The City of the Living God
Is Mount Zion

City of the Living God
City of the Living God
The City of the Living God
Is the New Jerusalem

[Verse 1]

City of the Living God
Is where our Father lives
He's calling all His children home
Through the grace He freely gives
To those who worship Him
In spirit and in truth
Jesus Christ will guide you
All the way to get you through
And when you pray to the Father
In the name of Jesus Christ
God will hear you from heaven
And He is waiting for you to come home

Oh, it's the City, the city you been waiting for
Oh, it's the City, the city of our risen Lord
Oh, it's the City, the city that is made of gold
Oh, It's the City of the Living God, you know
you wanna go.

Oh, it's the City, Oh, it's the City, Oh, it's the City,
You know that you wanna go
Oh, it's the City, Oh, it's the City, The City of the Living God

[Pre-Chorus]

Put every bit of your trust in Him
And in the blood of His Son
Walk worthy of the calling
Till the race of faith is run

City of the Living God

Don't turn away from the way of God
Don't practice sin again
Ask the Father for forgiveness
Through the blood that cleanses men

[Chorus]

City of the Living God
Is where you belong
City of the Living God
Is your true and only home

City of the Living God
City of the Living God
The City of the Living God
Is the New Jerusalem

[Verse 2 - City Described]

There will be no more crying
No more death and no more pain
No more curse upon the people
No more darkness, no more shame
For the Lamb will be the light there

And God's glory will shine through
The river of life will flow there
Clear and bright and ever new
The tree of life will grow there
With healing in its leaves
And all the nations of the earth
All the nations will soon believe

His servants all shall serve Him
His name upon their heads
And they will reign forever
In City God has blessed

Oh, it's the City, the city you been waiting for
Oh, it's the City, the city of our risen Lord
Oh, it's the City, the city that is made of gold
Oh, It's the City of the Living God, you know
you wanna go.

City of the Living God

Oh, it's the City, Oh, it's the City, Oh, it's the City,
You know that you wanna go
Oh, it's the City, Oh, it's the City, The City of the Living God

[Chorus]

The City of the Living God
Is where you belong
The City of the Living God
It is your true home

City of the Living God
City of the Living God

The City of the Living God
Is the New Jerusalem

[Verse 3 - The Prophets' Promise]

The prophets saw it coming
A kingdom full of peace
Where swords are turned to plowshares
And wars and sorrows cease
The nations come rejoicing
To the mountain of the Lord

And the gates are never closed there
For His mercy is restored
The Lord will be your sunlight
Your everlasting day
And violence will be gone there
For God will wipe it all away

The City of the Living God
Is not a dream too far
He planted that promise in you
And wrote it on your heart

[Bridge - Invitation]

Come, all you who are thirsty
Come drink the water of life

City of the Living God

Come out of the darkness
Come walk in the holy light

The Spirit and the Bride say, "Come"
The Father is calling you home
Through Jesus Christ, the only way
You will never walk alone

Come be a citizen of heaven
Come be a child of the King
Come seek City God has built
Come let your new song ring

[Final Chorus]

City of the Living God
Is where you belong

City of the Living God
Is your true and only home

City of the Living God
City of the Living God

The City of the Living God
Is Mount Zion

City of the Living God
City of the Living God

The City of the Living God
Is the New Jerusalem

[Outro]

City of the Living God
Is waiting there for you
The promise of that holy city
Is living now in you
Oh, it's the City, the city you been waiting for
Oh, it's the City, the city of our risen Lord
Oh, it's the City, the city that is made of gold
Oh, It's the City of the Living God, you know

City of the Living God

you wanna go.

Oh, it's the City, Oh, it's the City, Oh, it's the City,
You know that you wanna go
Oh, it's the City, Oh, it's the City, The City of the Living God

The City of the Living God
Is the New Jerusalem
