

Hard Life

It's a hard life we live, you know
They keep on taking 'till there's
nothing left to give, you know
Hard life is here, you know
You don't know where to turn
To find someone who cares.

oh, you keep on hurting
oh, you keep on cryin

It's a hard life, hard life
You know
Without our Lord Jesus in it
You will never grow
It's a hard life, hard life
I say
When Jesus is within you
He will make a way

hard life, hard life we live I say
hard life, hard life, Jesus will show you the way
all you have to do is pray

It's a hard life we live, I say
Without the Lord Jesus
Helping us along the way

Hard Life

It's a hard life we live, I say
Broken bones and broken hearts
Broken spirits and broken dreams
Broken Hopes, broken lives

Racked with pain and disease
Each and every one of us
Have our own specific needs

oh, you keep on hurting
oh, you keep on cryin
but then you say, Lord Jesus help me
just make it thru the day

It's a hard life, hard life
I see
Without our Lord Jesus
Living in me
It's a hard life, hard life
today
When Jesus is within me
He will always make a way

hard life, hard life we live I say
hard life, hard life, Jesus will show you the way
all you have to do is pray

Hard Life

So, I pray to the God almighty
In the name of His only Son
The Father will help you
when you need Him
because you believe in His
One and only Son

Hard times will come and go
But in the end, it's still A
Hard life you know
Thru every bit of sadness
And every bit of pain
From start to finish
We all turn out the same.
A spirit in a human
Who sees eternity
A hard life can stop you from
Who you want to be.
Jesus is the answer
from beginning to the end
He will always stand beside you
He will always be your friend
Thru the hard times and the bad times
And everything in between
Our Father God is waiting

Hard Life

To take you home with Him

hard life, hard life we live I say
hard life, hard life, Jesus will show you the way
all you have to do is pray

Oh, it's a hard life for sure
But Jesus is knocking at the door
Wanting you to come in
And find your rest in Him
He may not take all of the
Hard times away
Because He wants you
To learn to pray
And trust in Him all the way

It's a hard life we live, you know
They keep on taking 'till there's
nothing left to give, you know
Hard life is here, you know
You don't know where to turn
To find someone who cares.

oh, you keep on hurting
oh, you keep on cryin

Hard Life

It's a hard life, hard life
You know
Without our Lord Jesus in it
You will never grow
It's a hard life, hard life
I say
When Jesus is within you
He will make a way
