

# Do You Know God

*(God Is Love)*

Do you know God - the One  
Who made it all  
Creator of the universe  
The Father of us all

Do you know God - search inside your heart  
The Spirit that's inside of you  
Will guide you straight to Him  
The grace that comes from Him will take away your sin

Do you know God, God is Love  
Do you know God, God is peace  
Do you know God, God knows you  
Do you know God, God Loves You

Do you know God? Do you know God?  
Do you know God? Do you know God?  
The Father that Jesus introduced to you  
Do you know God, God is Love  
Yes, I say, God The Father truly  
Does love you

## *[Chorus]*

Do you know God? God is love, God is love  
Do you know God? God is love, God is love  
All He ever wants for you is joy and happiness  
Oh, oh, and love  
God is love  
Your Father wants to comfort you  
With His tenderness, oh

God is love, God is love  
If you love God, the Father

# Do You Know God

*(God Is Love)*

and our Lord Jesus Christ  
He will cover you in the precious blood  
From His Son's holy sacrifice  
If you say you know the Father  
Then you must know His Son  
He came from Heaven up above  
And He showers us with His great love

Do you know God, God is Love  
Do you know God, God is Grace  
Do you know God, God knows you  
Do you know God, God gives you His Grace  
From up above.

*[Chorus]*

Do you know God? God is love, God is love  
Do you know God? God is love, God is love  
All He ever wants for you is joy and happiness  
Oh, oh, and love  
God is love  
Your Father wants to comfort you  
With His tenderness, oh

Oh, God the Father I know your total love  
Oh, God the Father loved us so much  
That He gave us His one and only Son  
Jesus Christ

Jesus Christ could do nothing without the Father  
He said it plain as day you know He did  
All the miracles and healings and raising from the dead  
God the Father had to will it, And that's what  
Jesus Christ said.  
Before He died and then
