

Help Me To Do Thy Will, Lord

[Verse 1]

I seem to fall short every day
I seem to stumble along the way
Sometimes I don't see the error of my ways
But I know I need to look to You
To help me do Your will

I try to stand, but I fall again
I try to start, but I don't know when
Still Your mercy reaches out to me
And calls me back again

[Pre-Chorus]

Change me, make me ready
Save me from myself
Heal me, I am hurting
Lord, I need Your help

[Chorus]

Help me to do Thy will, Lord
Help me to be in sync with You
Help me to do Thy will, Lord
Help me to do all I can do

To walk the walk
Not just talk the talk
To be the best me
To be all that I can be

Help me to do Thy will, Lord
Help me to be free
From all the chains that bind me

[Post-Chorus]

Help me to do Thy will, Lord
Help me to do Thy will, Lord
Please, Lord
Help me to do Thy will all day
Help me to do Thy will all day
In everything I do and say

[Verse 2]

It seems like I am always weak

Help Me To Do Thy Will, Lord

It seems like I am not so meek
It seems like I keep falling short
It seems like I keep falling asleep

Free me from the guilt of sin
Wake me up and cleanse within
Help me to do Thy will, my Lord
Until the very end

[Pre-Chorus]
Sanctify me, Lord
So I can truly be saved
Justify me, Lord
And help me to obey

[Chorus]
Help me to do Thy will, Lord
Help me to be in sync with You
Help me to do Thy will, Lord
Help me to do all I can do

To walk the walk
Not just talk the talk
To be the best me
To be all that I can be

Help me to do Thy will, Lord
Help me to be free
From all the chains that bind me

[Verse 3]
I am weak, but You are strong
I feel like I don't belong
No matter how hard I try
I can't do it on my own

So take my heart, renew my mind
Leave the old man far behind
Teach my feet to follow You
One step at a time

[Lift]
Not my will, but Yours be done

Help Me To Do Thy Will, Lord

Father, make my heart as one
With the Spirit of Your Son
Until the race is run

[Chorus]

Help me to do Your will, Lord
I need You near me every day
Help me to do Your will, Lord
Help me all along the way

Help me to do Thy will, Lord
I just wanna do Your will today
Help me to do Thy will, Lord
Please don't let me drift away

[Bridge]

Almighty Father God
And my Lord Jesus Christ
With You in me, I have all I need
To walk in truth and life

Always keep me in Thy will
Keep me focused on You still
Yahweh Elohim, live in me
And teach my heart to yield

When my flesh is weak
Let Your Spirit rise
When my faith feels small
Open up my eyes

When the darkness calls
Let Your light break through
I don't wanna live for me
I wanna live for You

[Breakdown]

Help me do Thy will
Help me do Thy will
Help me do Thy will, Lord
In my heart, my mind, my soul

Help Me To Do Thy Will, Lord

Help me do Thy will
Help me do Thy will
Take my life and make it whole

[Final Chorus]

Help me to do Thy will, Lord
Help me to be in sync with You
Help me to do Thy will, Lord
Help me to do all I can do

To walk the walk
Not just talk the talk
To be the best me
To be all that I can be

Help me to do Thy will, Lord
Help me to be free
From all the chains that bind me

[Final Post-Chorus]

Help me to do Thy will, Lord
Help me to do Thy will, Lord
Please, Lord
Help me to do Thy will all day
Help me to do Thy will all day
In everything I do and say

Help me to do Thy will, Lord
Help me to do Thy will, Lord
Please, Lord
Help me to do Thy will today
Help me to walk the narrow way
In everything I do and say

[Ending]

I am weak, but You are strong
I can't do this on my own
Help me to do Thy will, Lord
Until You bring me home
