

Everything Will Turn Out Good

Everything will turn out good
For everyone who loves Jesus
Everything will turn out good
Yes, because we are the children of God

Everything will turn out good, you know
Everything will turn out good, here below
With God the Father on your side up above
He will fill you with his everlasting love
He will do everything He could,
To make sure that
Everything will turn out good, you know

It don't matter, How hard it gets
God The Father will get you through it
It don't matter, looks
God The Father will help you do it.
Believe Jesus who is the word
He will always make sure that
Everything will turn out good

Everything will turn out good, Lord Jesus
Everything will turn out good, because He saved us
Everything will turn out good, He gave His life for you and me
Everything will turn out good, because Jesus truly does love us.
That's why I say, Everything will turn out good
That's why I say, Everything will turn out good

In the name of Jesus Christ, you pray to the Father
It don't matter how weak you are, no matter how it looks
Jesus has won the battle for you, and He will make
Everything will turn out good

Death could not defeat Him, so He took away your sin
You are cleansed with the blood of the Holy Lamb
If you just believe in Him
That's why I say, Everything will turn out good

He will lift you up
He will strengthen you now
And make it so that you can do it too.
He will help you to make it through because he truly does love you.

He said He will always listen to you about all that you do
If you are one with Jesus, He lives inside of you.
Put your trust in Jesus in everything you do
He said He will not leave you or forsake you
Its totally up to you, of you want the Spirit of God the Father
And Jesus to dwell in you.
