

OH, MY LOVE

**Oh, my love – I love everything about you
Ever since you came to me
Just like a dream come true
Oh, my love – I want you to know
I love you and only you**

**Sometimes it so hard for me to tell you
Exactly how I feel.
But I want you to know for sure
That my love is truly real**

**Oh, my love, my love, without you I am nothing
Oh, my love, my love, Our love is the real thing
Oh, my love, my love, you are my everything
Our love is the real thing**

**Oh, my love, you are my destiny
Oh, my love, you are the one for me
Oh, my love, you are my dream come true
Oh, my love, I love only you**

**Oh, my love, my love, my love,
Oh, my love, my love, my love,
Oh, my love, my love, my love, I love you**

**Oh, my love, my love, my love,
Oh, my love, my love, my love,
Oh, my love, my love,
Oh, my love, I will always love you**

**When I met you, I knew that
I would love you for all my life
You are my sunshine and my shade
You are the best that God has made
And I know He made me for you.**

Sometimes I may not show it

OH, MY LOVE

**But you are always in my heart
I just want you to know it
Oh, my love, I love you the way you are**

**Oh, my love, my love, without you I am nothing
Oh, my love, my love, Our love is the real thing
Oh, my love, my love, you are my everything
Our love is the real thing**

**Oh, my love, you are my destiny
Oh, my love, you are the one for me
Oh, my love, you are my dream come true
Oh, my love, I love only you**

**I always want to be there when you need me
I always want you to trust me
I always want you to know
I always want the best for you**

**Sometimes we might fight and argue
But when the fight ends the love is still there
When we don't see eye to eye
Both of us just need to try
To keep our love alive
Oh, my love, even though we fight
Oh, my love, my love will never run and hide**

**Oh, my love I love you dearly
Oh, my love, I want you near me
Every day we have together
Only makes our love grow better**

**Oh, my love, Oh, my love, Oh, my love, Oh, my love
I want to shower you with all my love
Oh, my love, Oh, my love, Oh, my love, Oh, my love**

OH, MY LOVE

There's nothing better than our love

Oh, my love, you are my destiny

Oh, my love, you are the one for me

Oh, my love, you are my dream come true

Oh, my love, I love only you

I always want to be there when you need me

I always want you to trust me

I always want you to know

I always want the best for you

Because of you I live and breathe just to please you

A love that's true can last forever

And that's how long I plan to love you

I always want to be the one you look to

I always want to be the one who helps you

I always want to be the one who listens to you

I always want to be the one who holds you

Forever, Oh, my love be with me

Oh, my love, my love, without you I am nothing

Oh, my love, my love, Our love is the real thing

Oh, my love, my love, you are my everything

Our love is the real thing

Oh, my love, you are my destiny

Oh, my love, you are the one for me

Oh, my love, you are my dream come true

Oh, my love, I love only you

Oh, my love, I love you every single day

Oh, my love, my love, my love,

Oh, my love, my love, my love,

OH, MY LOVE

Oh, my love, my love, my love, I love you

Oh, my love, my love, my love,

Oh, my love, my love, my love,

Oh, my love, my love,

Oh, my love, I will always love you
