

Church of the Living God

We are the Church of the Living God, you know
The Church of the Living God, you know.
We are all meant to be a part of Him, you know
We are all meant to always let it show
The Church of the Living God, you know.

We are the army of The King
We are the Church of the Living God,
And with Jesus Christ we will rule all things

Put on your holy armor of God
Prepare yourself for war
The King is coming like a thief In the night
He's carrying His mighty sword
As He leads the Church of the Living God,
Throughout the world

Yes, we are the Church of the Living God
And along with Christ, we take down the enemy
The Church of the Living God
Jesus is our King of King
Through the blood of the Holy Lamb
He will conquer every sin

Church of the living God, Church of the living God,
The Church of the living God is on the move, is on the move
Church of the living God, Church of the living God,
The Church of the living God wants you to be a part of it too.

The church of the living God
With Christ Jesus by our side
The church of the living God
Will never run and hide
The church of the living God
It's always in our hearts
The church of the living God
It's always on our mind

Yes, we are the Church of the Living God
And we proclaim the name of The Son of God to you, you know
Yes, we are the Church of the Living God
And our testimony is true, you know

Church of the Living God

We stand in the gap today
The Church of the living God
That's right, I say
Be strong in the Lord
And in His power and His might
Always be straight and steady
Always focused on what is right
Gird yourself in the word of the Lord
And be ready to put up the fight

We are the Church of the Living God, you know
The Church of the Living God, you know.
We are all meant to be a part of Him, you know
We are all meant to always let it show
The Church of the Living God, you know.

Yes, we are the Church of the Living God
And you know our testimony is true
Yes, we are the Church of the Living God
And we are fighting just for You

Looking to take your soul
If you don't watch out all the time
Don't just let him take control
