

BELIEVE IN PROPHECY

[Intro]

**From the first promise
To the final victory,
God has shown His plan
Through prophecy.**

[Verse 1]

**In the Garden, when mankind fell,
God gave a promise for the prophets to tell.
A Savior would come and crush the enemy,
The first great promise of prophecy.
Through Abraham, through Israel,
Through every faithful word they would tell,
God shined a light through history
So all the world could see.
Believe in prophecy**

[Pre-Chorus]

**Kingdoms rise and kingdoms fall,
But God's Word will outlive them all.
What He has spoken will surely be
That's why I believe in prophecy!**

**Believe in prophecy, oh, oh
Believe in prophecy, oh, oh
Believe in prophecy, I say
Believe in prophecy, today**

[Chorus]

**Believe in prophecy
It's there for you to see.
Believe in prophecy
God's speaking to you and me.
What He said before came true,
What He says will happen too.
Don't fear what tomorrow brings
Believe in prophecy!**

Believe in prophecy, oh, oh

BELIEVE IN PROPHECY

**Believe in prophecy, oh, oh
Believe in prophecy, I say
Believe in prophecy, today**

[Post-Chorus Hook]

**Believe it, believe it
Prophecy is real!
Believe it, believe it
God's Word will be fulfilled!
Believe it, believe it—
The truth will set you free!
Open up your heart
And believe in prophecy!**

**Believe in prophecy, believe that Jesus rose from the dead
Believe in prophecy, believe in everything God has said
Believe in prophecy, Believe in prophecy, Believe in prophecy,
The word of God will help you to believe
Believe in prophecy, the future is bright and true
Believe in prophecy, it's there for me and for you.**

[Verse 2]

**The prophets told where Christ would be born,
How He would suffer, rejected and scorned.
He gave His life upon Calvary,
Just as it was written in prophecy.
He healed the sick and made the blind see,
He rose from the grave in victory.
The words God spoke became reality
That's why I say believe in prophecy?**

[Pre-Chorus]

**What God fulfilled so long ago
Is proof enough for us to know:
What He has promised will surely be
That's why I say believe in prophecy!**

[Chorus]

Believe in prophecy

**[Verse 3]
Jesus warned of a troubled age,
Of wars and fear upon the world's stage.
But the gospel of the Kingdom will go
To every nation so the world can know.
Prophecy was never meant to bring fear;
It tells us our redemption is drawing near.
Keep your lamp burning, watch faithfully
Prepare your heart through prophecy.**

**[Alternate Hook]
Don't fear tomorrow
God has shown the way.**

BELIEVE IN PROPHECY

**Don't fear tomorrow
Get ready today.
Watch and be ready,
Stand faithfully.
God has told us what is coming
Through prophecy!**

**[Bridge]
The trumpet will sound,
The King will appear.
The saints will awaken
The Kingdom is near!
The nations will learn
The ways of the Lord.
Peace will fill the earth,
And Christ will be adored.
No more sorrow,
No more pain,
No more death
When He comes back again!**

**[Final Chorus]
Believe in prophecy
It's there for you to see.
Believe in prophecy
God's speaking to you and me.
What He said before came true,
What He says will happen too.
Lift your head and trust the King**

**Believe in prophecy!
Believe in prophecy
From Genesis to victory.
Believe in prophecy
It reveals our destiny.
God will dwell with us someday,
Every tear will pass away.
Everything He said will be
Believe in prophecy! And you soon will see!**

Then you know prophecy is true.**

And your future is bright and clear
Believe in prophecy, because Jesus was here**

**[Outro]
What He said before came true.**
