

WANNA BE CHURCHY

[Verse 1]

Don't be a wanna-be churchy,
Just going to church on Holy Days.
Don't be a wanna-be churchy,
When you go home, it all just slips away.

If you wanna be a part
Of the body of Christ,
Then you must learn to find the way
To do what you know is right.

Don't just be a wanna-be churchy.
Ask God what He wants you to do.
He'll show you where you can serve Him
And how to live His truth.

[Chorus]

Wanna be churchy, oh, oh, oh,
Or do you wanna follow Christ, oh, oh, oh?
Wanna be churchy, oh, oh, oh,
Or let Him change your life, oh, oh, oh?

God wants you,
Yes, God wants you
To let His truth start living through you.

Do all you can do,
Ask Jesus into your life,
And let Him live in you.

[Verse 2]

Pure religion is taking care
Of the widows and the orphans among you.
Pure religion is worshiping the Holy God
In spirit and in truth.

If you wanna be a part of the body
And walk the way that leads to life,
You gotta ask Jesus into your heart
And truly follow Christ.

He will help you to decide
If you just wanna look churchy,
Or become a faithful servant
In the body of Christ.

[Chorus]

WANNA BE CHURCHY

Wanna be churchy, oh, oh, oh,
Or do you wanna follow Christ, oh, oh, oh?
Wanna be churchy, oh, oh, oh,
Or let Him change your life, oh, oh, oh?

God wants you,
Yes, God wants you
To let His truth start living through you.

[Verse 3]

A churchy is somebody
Who lives according to his own will,
And then he says he don't like religion—
But, churchy, where will you fit in?

A churchy is somebody
Who always thinks that he is right.
He points out everybody's problems
From the morning until night.

Don't be a wanna-be churchy,
Doing everything right
But in the wrong way.
Don't be a wanna-be churchy, I say.

Ask Jesus into your life,
And He will help you to decide
If you just wanna look churchy,
Or truly follow Jesus Christ.

[Quirky Bridge – Stop-and-Go]

You can carry a Bible,
You can sit in the front row.
You can tell everybody
Everything that they should know.

You can criticize the sermon,
You can criticize the choir.
You can say, "I'd do it better!"
In your finest church attire.

But God is looking at the heart
And the things you say and do.
You might look mighty churchy—
But is Christ living in you?

[Final Verse]

WANNA BE CHURCHY

Don't be a wanna-be churchy,
Just going to church once in a while.
Don't be a wanna-be churchy,
Don't put on that fake little smile.

You don't have to stay that way.
You can be made new today.
If you wanna be in the body of Christ,
You need to start a brand-new life.

Through the water and the Spirit,
Put the old man aside.
Repent and turn your heart to God,
And let Jesus be your guide.

[Final Chorus]

Don't be a wanna-be churchy, oh, oh, oh,
Be a follower of Christ, oh, oh, oh!
Don't be a wanna-be churchy, oh, oh, oh,
Let Him change your life, oh, oh, oh!

God wants you,
Yes, God wants you.
He wants you in His family too.

Do all you can do,
Ask Jesus into your life,
And let His Spirit live in you.

[Outro – Call and Response]

Don't be a wanna-be churchy!
Be a follower of Christ!

Find a congregation
That teaches God's true way.
Be baptized and receive His Spirit—
Begin a brand-new day.

Don't just go through the motions.
Put the old man away.
Don't be a wanna-be churchy—
Follow Jesus all the way!

Follow Jesus all the way!
Follow Jesus all the way!
