

I Am Thankful

[Intro]

I am thankful, I am thankful
Yes, I am thankful today
For every blessing from Your hand
And every step along the way

[Verse 1]

I am thankful
For the grace You give to me
So freely
I am thankful
For the love You give to me
It comforts me
I am thankful
For all the joy that's in my heart
I am oh, so very thankful
That You care about me

[Chorus]

I am thankful for Your holiness
I am thankful for Your love
I am thankful for the Holy Ghost
And every blessing from above
I am thankful that You raised Him back to life
I am thankful for Your Son, Jesus Christ

[Refrain]

I am thankful, yes, I am
For every blessing from Your hand
I am thankful, yes, I am
You are with me where I stand
I am thankful, thankful, thankful
For Your mercy setting me free
Oh, Holy Father, I am thankful
That You care about me

[Verse 2]

Oh, Holy Father, You give it all to me
The Holy Spirit You give to comfort me
Our Lord Jesus chose to die for me
Oh, Holy Father, I am thankful
That You care about me
And now Jesus lives in me
I am thankful for the breath of life in me
I am thankful that Christ's love has set me free
I am thankful for all the things You do for me
Oh, Holy Father, I am thankful

I Am Thankful

That You care about me

[Chorus]

I am thankful for Your holiness

I am thankful for Your love

I am thankful for the Holy Ghost

And every blessing from above

I am thankful that You raised Him back to life

I am thankful for Your Son, Jesus Christ

[Bridge]

If you breathe, then be thankful

If you see, then be thankful

If you hear, then be thankful

For the Lord is always near

For every heartbeat, every day

For every mercy on the way

Lift your eyes and understand

Every good gift comes from His hand

[Refrain]

I am thankful, yes, I am

For every blessing from Your hand

I am thankful, yes, I am

You are with me where I stand

I am thankful, thankful, thankful

For Your mercy setting me free

Oh, Holy Father, I am thankful

That You care about me

[Verse 3]

Thankfulness is the way that we show

Our gratitude

When we come before the Lord

Let Him shape our attitude

Thankfulness shows our God

That we have a soft and caring heart

Thankfulness shows our God

That we are ready to give Him all that we are

God hears you when you call to Him

God sees you when you cry out to Him

God loves to see a humble, contrite heart

God wants to love you where you are

God wants to help you have a pure heart

I am thankful, so very thankful

You are who You are

I Am Thankful

[Verse 4]

You are my God, my Lord and King
The Father's will is to give us all things
You are the One who died for me
Oh, my Lord Jesus
I am thankful for everything
Thankfulness leads us to repentance
Repentance turns us toward eternal life
Eternal life is what God will give us
Through His grace and love
Thankfulness will make us
Look to our Father above
Be thankful to God for being there for you
Be thankful to God for always loving you

[Final Chorus]

I am thankful for Your holiness
I am thankful for Your love
I am thankful for the Holy Ghost
And every blessing from above
I am thankful that You raised Him back to life
I am thankful for Your Son, Jesus Christ

[Final Refrain]

I am thankful, yes, I am
For every blessing from Your hand
I am thankful, yes, I am
You are with me where I stand
I am thankful, thankful, thankful
Oh, Holy Father, I love You dearly
I am thankful, thankful, thankful
That You live inside of me

[End]
