

Fear the Lord

[Intro]

Fear the Lord
Stand in awe
He is holy
He is God
Fear the Lord
Hear His voice
Wisdom starts
With a choice

[Verse 1]

The fear of the Lord is where wisdom begins
It opens our eyes and turns us from sin
The proud trust themselves and go their own way
But the wise seek the Lord and do what He says
He spoke and the heavens were set in their place
He formed us from dust and breathed into our clay
He searches the heart; He knows every thought
Nothing is hidden from the eyes of God

[Pre-Chorus]

So, humble your heart
Bow down before Him
Honor His name
And let wisdom begin

[Chorus]

Fear the Lord, fear the Lord
Stand in reverence and awe
Fear the Lord, fear the Lord
Love His truth and keep His law

Fear the Lord

Fear the Lord, fear the Lord
Let His Word become your sword
Turn from evil, walk in wisdom
Fear the Lord

[Verse 2]

To fear Him is more than the words that we say
It shows in the choices we make every day
Love what is righteous; hate what is wrong
Trust in His strength when your own is gone
Guard what you speak and be honest and true
Show mercy to others as He has shown you
Remember your Maker in all that you do
Submit to His will and remain faithful too

[Pre-Chorus]

Let go of your pride
Obey when He calls
Trust God to tear down
The heart's hidden walls

[Chorus]

Fear the Lord, fear the Lord
Stand in reverence and awe
Fear the Lord, fear the Lord
Love His truth and keep His law
Fear the Lord, fear the Lord
Let His Word become your sword
Turn from evil, walk in wisdom
Fear the Lord

Fear the Lord

[Verse 3]

The fear of man is a trap and a snare
But those who trust God are safe in His care
Do not fear those who can threaten the flesh
Fear Him who gives life and raises the dead
For judgment is coming; each deed will be known
Every proud kingdom will fall from its throne
But those who revere Him and call on His name
Will stand in His mercy, forgiven and changed

[Bridge]

This is not the fear that makes you run away
It is holy fear that teaches you to stay
Near to His presence, close to His heart
Knowing without Him, we fall apart
Love God, and He'll help you through it
Trust God, and He'll lead you to it
Fear God and submit to His will
With reverence and awe, be still
He is your Father
He is your King
He is your Savior
Your everything

[Breakdown Hook]

Fear Him—hear Him
Trust and obey
Fear Him—hear Him
Walk in His way
Fear Him—hear Him

Fear the Lord

Turn from your sin
The fear of the Lord
Is where wisdom begins

[Final Chorus]

Fear the Lord, fear the Lord
Let it ring, let it ring
Fear the Lord, fear the Lord
He is everything
Fear the Lord, fear the Lord
Let His wisdom guide your steps
Walk in wisdom, live in freedom
Fear the Lord
Fear the Lord, fear the Lord
In your home and in your song
Walk beside Him now and forever
Let His ways make you strong

[Outro]

Fear God
Keep His commandments
Love God
And walk in His ways
Trust God
With all of your heart
And He will be with you
All of your days
Fear the Lord
And let wisdom begin

[End]
