

I Will Boast In the Cross

Oh, our Lord Jesus Christ
Planned to give up His life
He and God the Father knew
There was no other way
To bring all God's children into the light.

He did not complain
He did not cry
He did not beg for His own life
He was just lead to death
Like a lamb to the slaughter
They hung Him on the cross
And then He cried out to his Father

When it was done
He took our sins upon Himself
When they took Him down of the cross
He too our sins into the grave
For three days and night that where He laid
But then God woke Him up
And He walked right out of the grave

I will boast in the cross
Of my Lord Jesus Christ
And all of the work He has done
I will boast in the cross
And all it stands for
Because of Him
The plan of salvation is done

I will boast in the cross, and all it means to me
I will boast in the cross, God has set my spirit free
I will boast in the cross, Because Christs blood was shed for me
I will boast in the cross, Because Christs took my sin away from me.

I will boast in the cross, I will boast in the cross
I know my Lord Jesus took my sins to the cross

I Will Boast In the Cross

I will boast in the cross, I will boast in the cross
And left them there when He came down of the cross

But now my life belongs to him
He says go my own way but do not sin
When I let Jesus in my heart
He sent the comforter
Who helps Him to come in
The Spirit of God
The Spirit of Christ
The Spirit of Truth
The spirit of Life

I let Jesus in and my Father too
I will boast in the Cross forever
Thru the cross I was saved
That is why
I will boast in the cross every day

By the blood of the one Holy One
The sacrifice of God's only Son
He died to set all of us free
And now I know
Christ on the cross died for me

I will boast in the cross, and all it means to me
I will boast in the cross, God has set my spirit free
I will boast in the cross, Because Christs blood was shed for me
I will boast in the cross, Because Christs took my sin away from me.

I will boast in the cross, I will boast in the cross
I know my Lord Jesus took my sins to the cross
I will boast in the cross, I will boast in the cross
And left them there when He came down of the cross

I Will Boast In the Cross

That means, I will always remain faithful
I know my life belongs to Him,
I will always remain faithful
Eternal life only comes from Him

I will always remain faithful
And always worship you in spirit and in truth
I will always remain faithful
My Lord Jesus
I remain faithful to you

I was not there to see it
But still, I do believe it
My sins were nailed to the cross
And left behind with the blood of
Jesus Christ and because of Him
I will have a brand-new life

I will boast in the cross
Of my Lord Jesus Christ
And all of the work He has done
I will boast in the cross
And all it stands for
Because of Him
The plan of salvation is done

I will boast in the cross, and all it means to me
I will boast in the cross, God has set my spirit free
I will boast in the cross, Because Christs blood was shed for me
I will boast in the cross, Because Christs took my sin away from me.

I will boast in the cross, I will boast in the cross
I know my Lord Jesus took my sins to the cross
I will boast in the cross, I will boast in the cross
And left them there when He came down of the cross
