

Dance Like David

Everybody get up
And get right out
And dance like David now

Lift up your hands and hearts to Him
And dance and sing
A praise song to our Lord
Jesus our King.

He deserves all glory,
Honor and praise
We honor the Son of David
As we dance like David

Dance, dance, dance I say dance
Lift up your heart's and dance
Dance, dance
Dance like David did.

With horn, pipe, and strings Beat the drum, make a loud noise
Get up and dance like David
Sing and rejoice

With honor and reverence
With all we do
Dance like David now

Dance, dance, dance
Like David now
Dance, dance, dance
Let it all hang out
And sing, sing, sing along
Come on, everybody,
Let's all let it out
Let's all dance and sing along

Sing a new song to the King
Our Lord
One that tells of His great love

Dance Like David

Sing and dance and make some noise
Let's all sing a new song to the Lord
David loved God so much
That he couldn't help himself
He just had to dance
Down the street and humbled himself

Dance, dance, dance
Like David now
Dance, dance, dance
Let it all hang out
And sing, sing, sing along
Come on, everybody,
Let's all let it out
Let's all dance and sing along

He truly wanted to give God all he had
There were people around him
Who thought he had gone mad
But David did not care
He just danced without his kingly wear

David honored God so much
The God who sees what's in our hearts
Said that David was a man after His own heart
That's why David is the apple of His eye.
David danced before the Lord
and did not hide

Dance, dance, dance I say dance
Lift up your voice to the Lord
Dance, dance
Dance like David did.

Everybody get up
And get right out
And dance like David now

Lift up your hands and hearts to Him
And dance and sing

Dance Like David

A praise song to our Lord
Jesus Christ

He deserves all glory,
Honor and praise
We honor the Son of David
As we dance like David

With horn, pipe, and strings Beat the drum, make a loud noise
Get up and dance like David
Sing and rejoice

With honor and reverence
With all we do
Dance like David now

Dance, dance, dance
Like David now
Dance, dance, dance
Let it all hang out
And sing, sing, sing along
Come on, everybody,
Let's all let it out
Let's all dance and sing along

Don't just honor your God with your lips
Sometimes God likes a little hips
Just come to Him as you are
You might not sound good enough
For a choir
Just do a dance for God
In some nice attire
And God will truly bless your day
If you just learn to dance David's way.

Dance, dance, dance I say dance
I say now get up off your but and dance
Dance, dance, dance
I say now

Dance Like David

Dance, dance, dance, dance
It don't matter if you know how
Dance, dance, dance
Dance like David did.
