

Oh, Prayer Warrior

Oh, Prayer Warrior,
Fighting the battle
On your knees.
Oh, Prayer Warrior,
Your selfless act is what
God sees.

Oh, Prayer Warrior,
You are not big,
You are not bad,
But oh, Prayer Warrior,
You are the best that our
God has.

Oh, Prayer Warrior,
On bent knees.
Oh, Prayer Warrior,
Pray for me,
With results you might
Never see.
Oh, Prayer Warrior, you help heal us
Thru your belief.

You always answer to the need
As you approach the throne
Of God on your knees.
Oh, Prayer Warrior, please
Say a prayer for me.

A Prayer Warrior is someone
Who thinks of others before themself.
A Prayer Warrior always wants to help.

You are pure of spirit
When you approach God
On your knees.
The God who always sees you
And always hears all your pleas.
Oh, Prayer Warrior,
Please find a need.

Oh, Prayer Warrior

A Prayer Warrior always
Find a need.
A Prayer Warrior always has
To believe,
With faith like a giant
Started from a mustard seed.

We all must learn to be
A Prayer Warrior to someone.
Some preach, some teach,
Some sing, some help out.
To be a Prayer Warrior
In the army of God is one of
The best jobs you can have.

Oh, Prayer Warrior,
On bent knees.
Oh, Prayer Warrior,
Pray for me,
With results you might
Never see.
Oh, Prayer Warrior, you help heal us
Thru your belief.

You belong to the army of God.
You are so precious in His sight.
You are always ready for a fight.
You trust in our Father
With all you're might.

You may be a widow
Or a shut-in.
You may need prayer yourself,
But you hold it within.
Oh, Prayer Warrior, let us
Pray for you.
Oh, Prayer Warrior, thank you for
What you do.
Oh, Prayer Warrior,

I pray that God

Oh, Prayer Warrior

Will always bless you.

You are special to our King

He gives you His signet ring

He will always give you help

Because you prove to him that

You love others more than yourself.

Oh, Prayer Warrior,

On bent knees.

Oh, Prayer Warrior,

Pray for me,

With results you might

Never see.

Oh, Prayer Warrior, you help heal us

Thru your belief.

You belong to the army of God.

You are so precious in His sight.

You are always ready for a fight.

You trust in our Father

With all you're might.
