

Obey the Lord

Obey the Lord
In all of your ways
Obey the Lord
In everything you do and say

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, Obey the Lord

If you truly love the Lord, you must obey what he said.
Obey the Lord, Obey the Lord, In every way
And ask Jesus Christ your Lord to show you the way.
To obey the lord every day.

Don't look to your own understanding
Don't walk in the ways of the world
Your Lord just wants you just to trust in Him
He'll show you the way to go.
With the Lord God Almighty in you
You will know all that you need to know

Obey the Lord
Don't think you know better than Him
Obey the Lord
No one can take the place of Him
Obey the Lord
The righteous Holy One
Obey the Lord
Jesus Christ God's Son

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, Obey the Lord

Obey the Lord, Obey the Lord, Obey the Lord
If you truly love the Lord, you must obey what he said.
Obey the Lord, Obey the Lord, In every way
And ask Him to show you the way.

When Jesus heals our sin sick soul
He says repent now and sin no more
He died for you and now He owns you
Please tell me what your gonna doe
But as for me, I will obey the Lord

Obey the Lord

Obey the Lord
Don't think you know better than Him
Obey the Lord
No one can take the place of Him
Obey the Lord
The righteous Holy One
Obey the Lord
Jesus Christ God's Son

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, Obey the Lord

Don't look to your own understanding
Don't walk in the ways of the world
Your Lord just wants you just to trust in Him
He'll show you the way to go.
With the Lord God Almighty in you
You will know all that you need to know

Praise God and Hear Him
Praise God and trust Him
Praise God and love Him
Praise God and obey him

Obey the Lord, Obey the Lord
Do what you can to learn His word
Ask Jesus in, and learn His way
That way you will Obey the Lord every day.

No one can truly know how things will turn out for them
This life have a lot of ups and downs on nothing can you depend
Every morning when you wake up you should thank God and pray
That He will help you to obey.

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, Obey the Lord

If you truly love the Lord, you must obey what he said.
Obey the Lord, Obey the Lord, In every way
And ask Jesus Christ your Lord to show you the way.
To obey the lord every day.

Obey the Lord

What more is there for me to say
There is about to come a day
The Lord will appear and take this world away
He will then wipe away every tear
He will take away every fear
And at that time and on that day
Jesus will teach us all how to obey

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, Obey the Lord

With a rod of iron, he will dash the nations
And bring them under His rule
Peace and love and understanding
Will all be taught in school
What was broken will be made new
He knows every single thing that we do
No more sin and no more pain
Satan will be put away
On that day we will all want to obey

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, Obey the Lord

Don't look to your own understanding
Don't walk in the ways of the world
Your Lord just wants you just to trust in Him
He'll show you the way to go.
With the Lord God Almighty in you
You will know all that you need to know

Obey the Lord
In all of your ways
Obey the Lord
In everything you do and say

Obey the Lord, Obey the Lord, Obey the Lord
I say to you to help you learn to Obey the Lord
In all that you do, in all that you see, in all that you feel, in all that you are, in all that you say
Obey the Lord your God every day.

[Instrumental]

[End]
