

Justified By Faith

Justified by faith
Faith in the Holy One
Justified by faith
Faith in God's only Son

Believe that He died for you
And He will never leave you
He gave His life so that you can live
And you can always be with Him

Justified by faith, justified by faith
In the lamb of God, Faith in Christs sacrifice
Believing in Him is where faith begins
He is the Son of God and He died for my sins

We are justified by faith
Believing in God's free gift of grace
We are justified by faith
Because of the sacrifice that Jesus made
Justified by faith, no one can ever take that away
Justified by faith, because we believe
He came back to life again
Justified by faith, we believe He will
Come back someday.

In our Lord Jesus Christ
Justified by faith
That Jesus will save your life
Justified by faith
In Him and only Him
Justified by faith
And now your life begins with Him
