

Turn Your Eyes to the One on High

[Instrumental - intro]

Turn your eyes to the One on high
And He will lift you up
Turn your eyes to the One on high
He will pick you up & Hold you up
Turn your eyes to the One on high
He will never let you go
Turn your eyes to the One on high
Who really loves you don't you know

Your treasure should be held above
By our Lord Jesus Christ
Turn your eyes to the One on high
Turn your eyes to Jesus Christ

Turn your eyes to the One on high, Turn your eyes to the One on high
Turn your eyes to the One on high His name is Jesus Christ
Turn your eyes to the One on high, Turn your eyes to the One on high
Jesus wants to meet you up there in the sky
Turn your eyes to the One on high and join Jesus Christ

The Holy One who loves you
He gave us His own Son
When Jesus died for all our sins
The Father turned His back on Him
It hurt Him deeply and made Him sad
That was the only Begotten Son He had ever had
But then His sadness turned to joy
And His heart was lifted up
Because He knew that Jesus Christ
Would soon come back to life

Turn your eyes to the One on high

Turn Your Eyes to the One on High

And He will raise you up
Turn your eyes to the One on high
He will never give you up
Turn your eyes to the One on high
To our Lord Jesus Christ

Turn your eyes to the One on high
To our Lord Jesus Christ
Turn your eyes to the One on high
To our Lord Jesus Christ
And he will save your life and give you eternal life
Turn your eyes to the One on high
Jesus Christ

He opened the doors to eternity
And He reaches out to welcome you in
They shed His blood and he died for
The forgiveness of your sins

That's because He has always loved you
Even since the dawn of time
There is no better love than this
That someone would give their very life
Our Lord and Savior Jesus Christ

Turn your eyes to the One on high, Turn your eyes to the One on high
Turn your eyes to the One on high His name is Jesus Christ
Turn your eyes to the One on high, Turn your eyes to the One on high
Jesus wants to meet you up there in the sky
Turn your eyes to the One on high and join Jesus Christ

Turn your eyes to the One on high
And He will lift you up
Turn your eyes to the One on high

Turn Your Eyes to the One on High

He will pick you up & Hold you up
Turn your eyes to the One on high
He will never let you go
Turn your eyes to the One on high
Who really loves you don't you know

Turn your eyes to the One on high
And He will raise you up
Turn your eyes to the One on high
He will never give you up
Turn your eyes to the One on high
To our Lord Jesus Christ

Turn your eyes to the One on high
To our Lord Jesus Christ
And He will save your life
And He will give to you eternal life
Turn your eyes to the One on high
Jesus Christ

He opened the doors to eternity
And He reaches out to welcome you in
They shed His blood and He died for
The forgiveness of your sins

How can I explain to you how important this is
How can I convince you to see for yourself
What can I say or do to show you it is real
That the Son of God is truly real
Turn your eyes to the One on high
And look and see our Lord Jesus Christ
[Instrumental-Outro]
