In the glory of the Almighty God
He will speak and it will be so

There has never been peace
In this whole wide world were in
There's been a war every minute
It's been hell from the beginning
From when Cain slayed Able
The spirit of man has been evil
Without God, A case for peace is not easy to defend
Pray for peace and for the wars to cease

Pray for peace, for Christ
Pray for peace, for life

Pray for Peace

Pray for peace, pray for what is right
Pray for peace, every night

There has never been an end
To the wars we have fought within
and all the wars going on all around us
The wars that make people sin

If you don't love others
the same way you love yourselves.
You will never have peace with others
And God will never come and help
No peace anywhere that you can see
Peace will only come from the
Prince of Peace, Peace will only
come from Jesus our King

Pray for peace, pray for peace
Pray, for the Prince of Peace to come
Pray for peace, pray for peace
Pray for peace for everyone

Pray for peace, pray for peace
Pray that every war will cease
Pray for peace, pray for peace
Pray for The Prince of Peace

When you are one with Jesus Christ
And God the Father
Jesus will give you His peace within
Because He took away all your sin

The only way for peace is to turn the cheek
It's all about grace, it's all about need

That peace truly does begin inside you and me
