Because He's above all things**

About how He can save your life
If you trust and believe Him
And if you follow Him
Love Him with all your might.**

Sing, sing, sing along!
Sing, sing, sing about Jesus!
Sing, sing, sing a Jesus song!**

**I wanna tell you what Jesus did for me.
He pulled me out of the grips of sin.
My life was in tatters held hostage to the world.
I would call out to the Saviour every day.
To take this ugly sin away
The sin that was within me**

**We all ought a known.
He saved you and me.
From the fiery lake of death
He died for you and me.
And He has no regrets.
He is our sinless Saviour.
And he died for all our sins.**

**Because He loves you like His child
Like you're his only one
He loves you with a pure and everlasting,
love from up above
He loves you and I wanna sing about Jesus.
And about His great love.**

**Yes, Jesus loves you!
Yes, Jesus died for you!
Yes, Jesus to believe it is true.
If you ask Jesus in, He will take away your sin.
Wash away your old man.
Receive the spirit thru hands.
And then your new life will begin,**

**Many might not believe
Many might see it differently
Many follow the money.
Many follow the wrong God.
Many say there is no God.
But the evidence is clear.
Jesus really was here.
And God said it would be true**

**There is a time up ahead
When it says Jesus will raise up the dead.
Three times the bible says.
Thru Glory, reconciliation, and judgement
Each according to their own time the bible says.
Raise up in glory and rule with Christ.
In reconciliation a second chance
to know the true Christ
or to final judgment to the fiery lake
where no one can survive**

Sing about Jesus, Sing about Jesus
Sing about His great works.
Sing about Jesus, Sing about Jesus**

All of us**
