

GOD IS BUILDING A FAMILY

[Instrumental] [Intro]

**God is building a family,
God is building a family.
God the Father and Jesus in me—
God is building a family.**

[Verse 1]

**Satan the Devil always tries
To counterfeit what God will do.
He tries to hide the Father's plan—
The Father wants to bless you.
But he can't stop the Spirit of God
Or Christ from living in you.
The Father's plan is greater than three;
He's building a family.**

[Pre-Chorus]

**Jesus prayed, "Father, make them one,
As You and I are one.
Let them be in Us, and We in them"—
Let Your family become one.**

[Hook]

**God the Father and Jesus in me,
God the Father and Jesus in you.
We are joined as one holy family—
That's what God's Holy Spirit can do.
The Spirit of the Father,
The Spirit of Christ in you and me.**

[Chorus]

**God is building a family,
God is building a family.
We are in Them; They live in us—
God is building a family.
One Spirit, one Body, one family—
God is building a family.**

GOD IS BUILDING A FAMILY

[Verse 2]

**The Holy Spirit is of the Father,
The Spirit is also of Christ.
Not another God beside Them—
God's own power, truth, and life.
The Father and Jesus live in us
And fill us with Their love.
They guide us with the mind of Christ
Through the Spirit from above.**

[Hook]

**God the Father and Jesus in me,
God the Father and Jesus in you.
We are joined as one holy family—
That's what God's Holy Spirit can do.
The Spirit of the Father,
The Spirit of Christ in you and me.**

[Chorus]

**God is building a family,
God is building a family.
We are in Them; They live in us—
God is building a family.
One Spirit, one Body, one family—
God is building a family.**

[Verse 3]

**We are children of the living God,
Sons and daughters through His Son.
We will share Christ's glory and likeness,
But our Father reigns above.
Jesus always is our Savior,
Our Lord and King of Kings.
We are His Body, joined together
By the Spirit that God brings.**

[Instrumental Interlude]

GOD IS BUILDING A FAMILY

[Bridge]

**The Spirit that is holy
Is the Holy Spirit of God.
The Spirit that is holy
Is the Spirit of Jesus Christ.
Sent from above to live in us,
It teaches us each day.
The Father and Jesus live in us
And guide us in God's way.**

[Chant]

**All one with the Father,
All one with the Son,
All one through the Holy Spirit—
God will make His children one.
All one with the Father,
All one with the Son,
One Spirit, one Body—
God's family has begun.**

[Verse 4]

**Water alone is not enough;
God gives His Spirit from above.
Buried with Christ and raised anew,
We rise to walk in truth and love.
With prayer and laying on of hands,
We ask the gift that God has planned.
One Spirit joins us all in Christ,
One family, hand in hand.**

[Final Hook]

**God the Father and Jesus in me,
God the Father and Jesus in you.
We are joined as one holy family—
That's what God's Holy Spirit can do.
The Spirit of the Father,
The Spirit of Christ in you and me.**

GOD IS BUILDING A FAMILY

[Final Chorus]

**God is building a family,
God is building a family.
Not a closed trinity—
God is building a family.
One Spirit, one Body, one family—
God will be all in all.**

[Outro]

**God the Father and Jesus in me,
God the Father and Jesus in you.
God is building a family—
That's what God's Holy Spirit can do.
God is building a family.
God is building a family.**

[Instrumental Outro]
