

Free Indeed

[Intro]

When Jesus sets you free,
You are free indeed.
We are free indeed
Because of Jesus Christ.
We are free indeed
Because Jesus set us free.
I am free indeed
Because Jesus lives in me.

[Chorus A]

We are free indeed
Because Jesus Christ sets us free.
We are all free indeed
If you trust in Jesus and believe.

[Verse 1]

I was captured by my sin.
I was rotten from within.
Thank God that Jesus gave His life
To save me from my sin.

Free indeed, free indeed, we all can be free indeed
Free indeed, free indeed, we all can be free indeed
All you need to do is believe you are free indeed

I am free indeed, free indeed,
Because Jesus sets me free.
I am free indeed, I am free indeed
Because Jesus is in me

Free Indeed

[Chorus B]

I am free indeed
Because Jesus lives in me.
I am free indeed
Because Jesus set me free.
And no one can take my freedom from me.

I am free indeed, free indeed,
Because Jesus sets me free.
I am free indeed, I am free indeed
Because Jesus is in me

Because Jesus sets me free.
Now I am clean from within
Because Jesus took away my sin.
And when Jesus set me free,
I know I am free indeed.

[Verse 2]

There is a time in our lives
When we all must decide:
What are you going to do
When you learn that
Satan is leading you?
Only when God opens your eyes
And you see the truth,
You recognize that you're a slave to sin
And that only One can save your life.
Then you understand and you see
That only Jesus can set you free.
And when Jesus sets you free,
You are free indeed.

Free indeed, free indeed, we all can be free indeed
Free indeed, free indeed, we all can be free indeed
All you need to do is believe you are free indeed,

Free Indeed

[Verse 3]

I'm free indeed because Jesus set me free.
I was rotten from within.
I was a slave to sin.
But when I realized I had
No way out that I could see,
Then I looked to Jesus Christ,
And He set me free.

[Chorus A]

We are free indeed
Because Jesus Christ sets us free.
We are all free indeed
If you trust in Jesus and believe.

[Bridge]

By His stripes we all are healed.
They hung Him on the cross
On Calvary's hill.
Jesus hung there until He died,
And then He rose up again.
Don't you know that
Jesus died for your sin?

I am free indeed, free indeed,
Because Jesus sets me free.
I am free indeed, I am free indeed
Because Jesus is in me

His death and resurrection
Conquered death, and then
When you call on Him
And let Him in,
Jesus will then set you
Free from your sin.
And when Jesus sets you free,
You are truly free indeed.

Free Indeed

Free indeed, free indeed, we all can be free indeed
Free indeed, free indeed, we all can be free indeed
All you need to do is believe you are free indeed,

When Jesus sets you free,
You are free indeed.
We are free indeed
Because of Jesus Christ.
We are free indeed
Because Jesus set us free.
I am free indeed
Because Jesus lives in me.

[Outro]

I am free indeed,
I am free indeed,
I am free indeed

Because Jesus sets me free.
Now I am clean from within
Because Jesus took away my sin.
And when Jesus set me free,
I know I am free indeed.

I am free indeed, free indeed,
Because Jesus sets me free.
I am free indeed, I am free indeed
Because Jesus is in me

That I am free because
When Jesus sets you free,
You know you are free indeed.
Free indeed, free indeed,
We all can be free indeed.

Free indeed, free indeed, we all can be free indeed
Free indeed, free indeed, we all can be free indeed
All you need to do is believe you are free indeed,
