

Every Day Is a New Day

[Instrumental intro]

[Opening Intro]

Every day is a new day
When I'm with You, Lord.
Every day is a new day
With You inside of me, Lord.
Every day is a new day
Every day is a new day
Every day can be a new day
With Jesus Christ in me

[Verse 1]

With the Lord God Almighty in me,
I know I can do all things.
With the Father God in me,
He will guide me to all things.
As He opens up my mind
To the possibility of eternal life,
Every day is a new day
When I am with You, Lord God.

[Chorus]

Every day is a new day, Every day is a new day, Every day is a new day
Let today be a new day. With Jesus within, for you a new day will begin
Because Jesus sacrifice took away all of your sin on that day
Every day is a new day, when you stay in Him
Every day is a new day for you to be more like Him

[Hook]

Every day is a new day, Every day is a new day,
Every day is a new day, When I'm with You, Lord
Every day is a new day, Every day is a new day,
Every day is a new day, For me to love You, Lord.

Verse 2

Every day we all wake up and get
On our way, barely ever thinking
Of Jesus Christ that day.
You go to work; you do your job.
It goes on and on; life, it never will stop.
The days start turning into weeks,
The months then turn into years.
Every day seems the same, just like
The same old day.

Every Day Is a New Day

[bridge]

Jesus Christ makes all things new.
Jesus Christ can change your attitude.
Jesus Christ can take all the burden away.
Jesus Christ can make
Every day a new day.
Just let Jesus in your heart;
He will show you the way.

[Verse 4]

Every day is a new day with Jesus Christ in me.
The old man is put away, never to come back again.
When you make Jesus Christ your friend,
He will be with you until the end.
Helping you to make it through all the way.
And then every day will be a new day.
No matter how hard you try to kick Satan out of your life,
On your own, no way you can do it. but with Jesus in your heart,
The devil will run away.
Then for sure, Every day will be a new.

[Chorus]

Every day is a new day, Every day is a new day, Every day is a new day
Let today be a new day. With Jesus within, for you a new day will begin
Because Jesus sacrifice took away all of your sin on that day
Every day is a new day, when you stay in Him
Every day is a new day for you to be more like Him

[Hook]

Every day is a new day, Every day is a new day,
Every day is a new day, When I'm with You, Lord
Every day is a new day, Every day is a new day,
Every day is a new day, For me to love You, Lord.

[Verse 5]

All my life, I keep pushing
And pushing,
Always trying to get ahead
Some way,
Climbing up the ladder, trying
To make a name for myself some way.
Seems like life's twists and turns
Slow me down every day.
I work so hard so I can get paid.

Every Day Is a New Day

[Refrain]

But then a hollow feeling came over me;
The reason why, I just don't see.
Feeling all alone until Jesus Christ came into me.
Sometimes things just get out of hand,
Turn back to Jesus, He will understand.
Then you have another try to do things the right way.
He'll help turn your life around;
Then every day will be a new day.

[Verse 6]

Every day should be like a new day.
God the Father and Jesus Christ
Wanting to be with you looking for you
to Turn your life around and turn to Them.
Set your eyes on Christ, And He will set His eyes on you too.
Because times will start getting harder.
Don't look back, just look forward to a better day.
Then every day will be a new day;
And be all that you can be every day.

[Chorus]

Every day is a new day, Every day is a new day, Every day is a new day
Let today be a new day. With Jesus within, for you a new day will begin
Because Jesus sacrifice took away all of your sin on that day
Every day is a new day, when you stay in Him
Every day is a new day for you to be more like Him

[Hook]

Every day is a new day, Every day is a new day,
Every day is a new day, When I'm with You, Lord
Every day is a new day, Every day is a new day,
Every day is a new day, For me to love You, Lord.

[Outro]

Praise God the Father and Jesus Christ every day.
Ask Them to change your life and then listen to what They say.
They will turn your life around, and they will show you the way
then every day will truly be a new day

[Instrumental outro]
