

Jesus Saves, I Say

[Instrumental Intro]

[Verse 1]

If you feel there is something missing In your life
If you feel like there is something more
You wish someone will help you to learn what is right

[Chorus]

Jesus saves, I say, Jesus saves, I say
Jesus saves, I say, Jesus saves
And Jesus takes them away Jesus takes your sin away
Jesus saves, Jesus saves, I say

[Bridge]

Why do you need to be saved, you say
You just want to live your own way
Why should you worry about sin anyway
Why should let you Jesus in your heart to stay

[Rap]

Sin is the transgression of God's law
Sin keeps you away from a holy God
Sin makes a soft heart hard
Sin takes all that you have got
Sin separates us from our God

[Verse 2]

Without a payment for sin
The hope of eternal life is gone
Jesus paid the price for our sins
Jesus lived a perfect life without sin
But of Jesus it was prophesied
That Jesus would give up His life
The teachers of the law
And the leaders of the Jews
Wanted Jesus to die

Jesus Saves, I Say

[Chorus]

Jesus saves, I say, Jesus saves, I say
Jesus saves, I say, Jesus saves
And Jesus takes them away Jesus takes your sin away
Jesus saves, Jesus saves, I say

[Verse 3]

So, they went and captured Him
While Jesus was just praying
They took Him to the king
And the rulers that were from far away
They decided to let Him die
So that they can appease the mobs
They keep crying out, "Crucify"
It was certain that Jesus would die
They held Him up; They beat Him up
And then they lifted Him up on to the wooden cross
They all thought Jesus Christ had been lost
They did not know that Jesus just paid the cost
For us not to be afraid, our sins will be tossed
And we will live a better way

[Chorus]

Jesus saves, Jesus saves, Jesus saves
Jesus saves, I say
Jesus saves all the way
Jesus is alive and Jesus saves

[Verse 3]

They took Him off the cross and put Him in the grave
And He stayed in there for three nights and three days
Then He got right up and walked away
Then He ascended up to God the Father and
That's where He is today

Jesus Saves, I Say

[Chorus]

Jesus saves, I say, Jesus saves, I say
Jesus saves, I say, Jesus saves
And He takes your sins away
Every minute of every day
Jesus asks God the Father to let Him save you
So that when you pray to Jesus
Just remember that Jesus saves

[Bridge 2]

You don't know exactly why
You feel guilty whenever you lie
Or when you wish someone would die
Or you wanna take someone's wife
If you take someone else's stuff
And you despise your parents
Or if you worship on the wrong day and
you don't honor God's name and
you don't know That God is the one
Who sent us Jesus Christ His Son

[Verse 4]

When Jesus hung there on the cross
The disciples believed that
All was lost
All that He taught
All that He healed
All that He fed
Everything that He said

The disciples all forgot
What Jesus said
When He said He'd rise up
From the dead

Jesus Saves, I Say

[Bridge 3]

Don't forget what Jesus did
To take away all of our sin
The Father and the Word
Had this great plan
The Word would become a man
A seed from God in the womb
Of a girl brought our
Savior into this world
The Word was the way
Everything was made that you see
Whenever God said, "Let there be"
Don't you see the Word that was Jesus Christ
Made both you and me

[Verse 5]

So can you see that the Word made you and me
He made everything we see
Without the Word nothing would be
The Word is Jesus Christ our Lord and King

[Final Chorus]

Jesus saves, I say, Jesus saves, I say
Jesus saves, I say, Jesus saves
He lives in your heart
And helps you every day
God the Father and Jesus
Will always show you the way

[Prayer]

All you have to do is say
I know that I sin
I know the evil I have within
I know my need to be saved
Jesus please come in
And cure me from within

Jesus Saves, I Say

And then Jesus, God the
Father and you
Together as one, you are made
Brand new

[Outro]

Let Jesus in your heart
Yes, Jesus saves, I say
Let Jesus in your life
Yes, Jesus saves, I say

[Heaven Will Repeat]

Yes, Jesus saves, I say
I say Jesus saves
