

Grow in Grace and Knowledge

[Intro]

Grow in grace and knowledge
Of our Lord Jesus Christ
Grow in grace and knowledge
And He will change your life
Grow in grace and knowledge
Your thoughts will be revived
Grow in grace and knowledge, oh ya
Of our Lord Jesus Christ

[Verse 1]

In school we learn of a, b, c's
And one, two, three's
But we don't learn about the knowledge
That will set you free
The teachers teach what they've been told
All the while they just don't know
That the grace and knowledge
Of our Lord is the knowledge that we all should know

[Chorus]

Grow in grace and knowledge
Of our Lord Jesus Christ
Grow in grace and knowledge
Of our Lord Jesus Christ
Learn about His death
Learn about His pain
Learn about His sacrifice
That's how you
Grow in grace and knowledge
Of our Lord Jesus Christ

[Hook]

Grow in grace and knowledge Grow in grace and knowledge
Grow in grace and knowledge every day in every way
Grow in grace and knowledge teach the children what is right Grow in
Grow in grace and knowledge, of our Lord Jesus Christ

Grow in Grace and Knowledge

[Verse 2]

We always try to look for ways to change the world
We always try to look for ways to change our life
But when you see the damage done
The only cure is God's only Son
We all love war and love to fight
But we never ever fight for what is right
We never seem to grow in the grace and
knowledge of our lord Jesus Christ

[Chorus]

Grow in grace and knowledge
Of our Lord Jesus Christ
Grow in grace and knowledge
Of our Lord Jesus Christ
Learn about His ways
Learn about His thoughts
Learn about how He saved your life
That's how you
Grow in grace and knowledge
Of our Lord Jesus Christ

[Hook]

Grow in grace and knowledge Grow in grace and knowledge
Grow in grace and knowledge every day in every way
Grow in grace and knowledge teach the children what is right Grow in
Grow in grace and knowledge, of our Lord Jesus Christ

[Bridge]

There are so many times in so many days
That people just want to turn away
They place God close to last that is
If they ever think of God at all
They don't know about grace and
They don't have the knowledge
To even answer Gods call.

Grow in Grace and Knowledge

[Verse 3]

There has never been a time in history
When God is reaching out to all
Don't tell me you don't see it
Don't tell me you don't hear the call
God pours out His spirit upon all flesh
He wants you to turn to Jesus
So, He can fill you with His grace
Then all you will want to do
Is to grow in the grace and knowledge
Of the one who saved you

[Refrain]

Oh, Jesus Christ my Lord
I wanna love you more and more
I wanna learn a better way
So, I can know your love all the way
Oh, my Lord Jesus let me grow in your
Grace and knowledge every day.

[Chorus]

Grow in grace and knowledge
Of our Lord Jesus Christ
Grow in grace and knowledge
Of our Lord Jesus Christ
Learn about His love
Learn about His joy
Learn about eternal life
That's how you
Grow in grace and knowledge
Of our Lord Jesus Christ

[Hook]

Grow in grace and knowledge Grow in grace and knowledge
Grow in grace and knowledge every day in every way
Grow in grace and knowledge teach the children what is right Grow in
Grow in grace and knowledge, of our Lord Jesus Christ

Grow in Grace and Knowledge

[Verse 3]

And Jesus paid the price for me
He took my sin and set me free
He overcame death at calvary
He's more than a man, He is our God
And He gave His life for you and me
Open your eyes and listen to me
Grow in grace and knowledge now
Or the price is that you lose your
Chance for eternity

[Bridge 2]

Grow in grace and knowledge now
Open up your mind and figure out how
Grow in grace and knowledge today
Before Jesus turns away
Grow in grace and knowledge it's true
God will open up to you

[Chorus]

Grow in grace and knowledge
Of our Lord Jesus Christ
Grow in grace and knowledge
Of our Lord Jesus Christ
Learn about His love
Learn about His joy
Learn about eternal life
That's how you
Grow in grace and knowledge
Of our Lord Jesus Christ

[Hook]

Grow in grace and knowledge Grow in grace and knowledge
Grow in grace and knowledge every day in every way
Grow in grace and knowledge teach the children what is right Grow in
Grow in grace and knowledge, of our Lord Jesus Christ
