

Humble Your Heart

[Verse 1]

God resists the prideful heart
But He gives grace to the humble
If you think too much about yourself, the Lord God won't
Give you no help
Humble yourself from inside
To be at one with the Father
All of the time

[Chorus]

Humble your heart, humble your soul
Humble your heart and let Jesus take
Humble your heart, my dear friend
And God will be with you
On that you can depend

[Verse 2]

Lucifer was the brightest
In heaven
The Almighty God made him
That way
Lucifer believed he was the
Best among God's angels
And then pride began to fill
His heart
He began to think he was better
Than the Father
That's when God knocked
Him down, and He took
Away his crown

[Verse 3]

Let this be a lesson to you
In everything you do
Humble your heart and
God will love you

[Refrain]

Humble your heart
Humble your heart

Humble Your Heart

Humble your heart
Oh, faithful sons of God

[Verse 4]

There is a day set aside
When Satan cannot hide
He will be forever put away
On that most solemn day
When we humble ourselves
And we humble our hearts
To become one with the
Living God

[Bridge]

The heart of God is
Filled with love
The arms of God are
Opened up
The ears of God listen to hear
A humble and contrite heart
Calling out, filled with
Reverence and fear
Humble your heart and God
Will hear

[Chorus]

Humble your heart, humble your soul
Humble your heart and let Jesus take
Humble your heart, my dear friend
And God will be with you
On that you can depend

[Refrain]

Humble your heart
Humble your heart
Humble your heart
Oh, faithful sons of God

[Verse 5]

He will welcome you with
Open arms

Humble Your Heart

When you and He become one
And the devil is forever gone
Humble your hearts, all ye
People of God

[Verse 6]

Humble your hearts on that day
When Satan will be put away
It's a holy and solemn day
With prayer and fasting all day
Humble your heart, oh faithful one
Soon we all will become as one

[Chorus]

Humble your heart, humble your soul
Humble your heart and let Jesus take
Humble your heart, my dear friend
And God will be with you
On that you can depend

[Refrain]

Humble your heart
Humble your heart
Humble your heart
Oh, faithful sons of God

[Verse 7]

With Jesus Christ in your heart
And God the Father too
They will always be there
With you
They become a part of you

[Bridge 2]

Humble your heart, humble your soul
Humble your mind, put Jesus in control
Humble your life, humble your pride
Humble your heart and
Let God inside

[Final Chorus]

Humble your heart

Humble Your Heart

Humble your head
Humble your heart
Oh, holy people of God
He wants to give to you
Everything
Humble your heart
And worship the King

[Verse 8]

A day will come ahead
When God will raise up
The dead
Do you want to rise up to
Eternal life
Or sent to die in the fiery lake
Turn your life around and
Learn to do what's right

[Outro]

Humble your heart right now
Humble your heart, I say
Humble your heart all the way
On this Holy Atonement Day
