

Then Sin Set In

[Instrumental Intro]

[Intro]

In a garden filled with life,
Where there was no fear or shame,
One deceitful conversation—
And the world was never the same.

[Verse 1]

The serpent was deceitful,
More crafty than all the rest.
One day he turned to Eve
And put God's word to the test.
He promised she would never die,
That her opened eyes would know.
She looked upon forbidden fruit
And wanted it for her own.

[Pre-Chorus]

She wanted to be like God,
To know what was wrong and right.
She reached for what God had forbidden
And gave in to the lie.

[Chorus]

Then sin set in, then sin set in.
It started in the garden;
Now the struggle lies within.
But you can turn to Jesus Christ;
His blood will wash away your sin.
Turn your heart back to God—
Don't let sin set in.

[Post-Chorus — Hook]

Don't let sin set in.
Don't let sin win.
Turn your heart to Jesus Christ—
Don't let sin set in.

[Instrumental Turnaround]

[Verse 2]

After the first sin was done,
Eve had nowhere she could run.

Then Sin Set In

She turned and gave the fruit to Adam,
And he chose to eat it too.
The command of God was clear,
And Adam surely knew.
Their eyes were opened to their shame,
And nothing stayed the same.

[Pre-Chorus 2]

Then sin set in within their hearts,
And shame came with the fall.
They hid themselves among the trees
When they heard their Maker call.
But God already knew
Exactly what they'd done.
They had gone against His will,
And the judgment had begun.

[Chorus]

Then sin set in, then sin set in.
It started in the garden;
Now the struggle lies within.
But you can turn to Jesus Christ;
His blood will wash away your sin.
Turn your heart back to God—
Don't let sin set in.

[Post-Chorus — Hook]

Don't let sin set in.
Don't let sin win.
Turn your heart to Jesus Christ—
Don't let sin set in.

[Instrumental Build]

[Verse 3]

They had everything they needed,
Everything they could have wanted.
They had walked in peace with God
In the garden He had planted.
But now they knew both good and evil;
Their innocence was gone.
God barred the way to the Tree of Life
So they could not live on.
A flaming sword turned every way,
And cherubim stood guard.

Then Sin Set In

He sent them out of Eden,
And their lives became so hard.
Far from the home they once had known,
They faced another day.
And death came into human life
When Adam turned away.

[Bridge]

The serpent still deceives us,
And sin still calls today.
It promises us freedom,
Then it takes our life away.
Oh Father, search this heart of mine;
Don't let me hide again.
Through the blood of Jesus Christ,
Wash away the sin within.
When temptation stands before me,
Help me turn and walk away.
Lead me by Your Holy Spirit;
Keep me walking in Your way.

[Breakdown — Hook]

I don't want sin to set in.
I don't want sin to win.
Jesus Christ, please live in me
And make me clean within.
I don't want sin to set in.
I don't want sin to win.
Turn my heart back to You, Father—
Don't let sin set in.

[Final Chorus]

Yes, sin set in, yes, sin set in.
It started in the garden;
Now the struggle lies within.
But you can turn to Jesus Christ;
His blood will wash away your sin.
Turn your heart back to God—
Don't let sin set in.

[Final Chorus — Lift]

But Jesus Christ stepped in,
Jesus Christ stepped in.

Then Sin Set In

He paid the price to free us
From the penalty of sin.
Now you can turn to Jesus Christ;
His blood will make you clean within.
Turn your heart back to God—
Don't let sin set in.

[Outro]
Then sin set in—
But sin will never win.
Through the blood of Jesus Christ,
God gives eternal life through Him.
Don't let sin set in.
Don't let sin win.
Turn your heart back to God—
Don't let sin set in.
