

THE BOOK

[Intro]

God's Book

God's Book

There's a treasure in my hand

Help me read and understand

[Verse 1]

God breathed truth through faithful servants,

Moved their hearts to write His truth;

Through the centuries He kept it,

Now its light is shining through.

It corrects me when I wander,

It restores me when I'm lost;

Through the law and through the prophets,

I can see the hope of Christ.

[Chorus]

God's Book

God's Book

A lamp to show the way

God's Book

God's Book

Let it change my heart today

From creation to the Kingdom

Let me hear and live Your Word

God's Book, God's Book, God's Book,

Is the Bible

God's word, God's word, God's word,

Is Jesus Christ

[Verse 2]

Genesis begins the story:

Heaven, earth, and humankind.

Exodus reveals deliverance;

In His law, His heart we find.

Kings may rise and kingdoms crumble,

Prophets warn and psalmists sing;

Through it all one hope keeps growing -

God will send the promised King.

THE BOOK

[Chorus]

God's Book

God's Book

A lamp to show the way

God's Book

God's Book

Let it change my heart today

From creation to the Kingdom

Let me hear and live Your Word

God's Book, God's Book, God's Book,

Is the Bible

God's word, God's word, God's word,

Is Jesus Christ

[Verse 3]

Matthew, Mark, and Luke bear witness;

John proclaims the Word made flesh.

Acts reveals the Spirit working;

Letters teach us righteousness.

Then the final Revelation

Shows the throne that cannot fall:

Christ returning, death defeated,

God becoming all in all.

[Pre-Bridge]

Genesis and Exodus

Psalms and prophets, hear them sing

Matthew, Mark, and Luke and John

Tell the story of the King

Acts and letters teach His people

Revelation: Christ shall reign

[Bridge]

This Book does more than tell my story -

It opens up my heart.

It knows the thoughts I try to cover;

It brings light into the dark.

It makes the simple-hearted wiser;

It becomes a lamp before my feet.

And the more I learn to love it,

THE BOOK

The more I long to walk with Him.

[Chorus]

God's Book

God's Book

A lamp to show the way

God's Book

God's Book

Let it change my heart today

From creation to the Kingdom

Let me hear and live Your Word

God's Book, God's Book, God's Book,
Is the Bible

God's word, God's word, God's word,
Is Jesus Christ

[Outro]

So, I'll open it with reverence;

I'll receive what He has said.

I will hide it in my heart

And let its truth direct my steps.

When I read His words and answer,

When I bow my head in prayer,

I know the God who wrote the story

Is the God who hears and cares.

Go read the Bible and you will be blessed
