

God the Father

[Intro]

God the Father
Our Holy Father, oh yes
Holy is Your name
My Father, my God
Forever You will reign

[Verse 1]

Jesus came to make Him known
The highest One upon the throne
No mortal eye has seen His face
His Son reveals His truth and grace

The Father sent His only Son
To finish what He had begun
Through Christ we learn to seek His face
And call upon the God of grace

[Chorus]

God the Father
Holy is Your name
You are above all power
Yet You know me just the same
Your Kingdom come
Your will be done
On earth as heaven above
God the Father
You are truth and love

[Hook]

God the Father, God the Father, God the Father
Oh how Holy is Your name
You are my Father, my God
Oh yes Forever You will reign

Oh God the Father, I really love you I say
Oh God the Father, I love your grace

Oh God the Father, oh God the Father
You are my Father God and to You I pray
Oh God the Father, oh God the Father
I truly do love you, I say.

God the Father

[Verse 2]

From You all life and blessings flow
You teach Your children how to grow
You guide, correct, forgive, and lead
And give us everything we need

You gave authority to Christ
You raised Him up to endless life
And placed Him at Your own right hand
To carry out Your perfect plan

[Chorus]

God the Father
Holy is Your name
You are above all power
Yet You know me just the same
Your Kingdom come
Your will be done
On earth as heaven above
God the Father
You are truth and love

Oh God the Father, oh God the Father,
You are my Father I pray to you
Oh God the Father, oh God the Father
I truly do love you
Oh God the Father, I truly do love you

[Bridge]

You are the Father Jesus knew
The One He worshiped and obeyed
He came to bring us close to You
And teach the prayer that Jesus prayed

Through Christ we boldly come before
Your throne of mercy evermore
Your Spirit lives and works in us
And teaches us to love and trust

[Final Chorus]

God the Father

God the Father

Holy is Your name
You are above all power
Forever You remain
Your Kingdom come
Your will be done
On earth as heaven above
God the Father
Fill Your children with Your love

[Hook]

God the Father, God the Father, God the Father
Oh how Holy is Your name
You are my Father, my God
Oh yes Forever You will reign

Oh God the Father, I really love you I say
Oh God the Father, I long for your warm embrace

Oh God the Father, You are my Father
Oh God the Father, I pray to You that I can depend
That You and Jesus, truly are my friends
Oh God the Father my love for you, will never end

Oh God the Father, oh God the Father
I truly do love you, I say.

[Outrol]

One Father
One Son
Many children yet to come
God is building a family
