

THE DAY OF THE LORD

[Intro]

Blow the trumpet in Zion
Sound the alarm
Wake up every nation
Awaken up every heart
The Day of the Lord is coming
Who will be able to stand apart?

[Verse 1]

The world keeps turning as though nothing will change
Buying and selling, always forgetting His name
Violence is rising and truth is cast down
Proud men are building their kingdoms on sand
The heavens grow dark and the earth starts to shake
The armies are gathering, the nations awake
No silver, no gold, no fortress can save
When every proud kingdom is swept away

[Pre-Chorus]

A day of trouble
A day of distress
A day of darkness covering the land
If those days were not shortened
No flesh would survive
So hear the warning while there is still time

[Chorus]

The Day of the Lord
A day of His judgment is coming to earth
The Day of the Lord
Turn back to God, put His Kingdom first

Repent and believe in Jesus the Christ
Watch and be ready, now is the time

The Day of the Lord, I say
The Day of the Lord is coming
The Day of the Lord, oh ya
The Day of the Lord is coming soon

[Verse 2]

The sun will grow dark and the moon will not shine
The powers of heaven will tremble in time
The proud will cry out, but where will they hide
When all they have trusted is taken aside?
The mighty will fall and the strong will be weak
The lost will remember the God they should seek
The words of the prophets will all be fulfilled
The voice of rebellion forever made still

THE DAY OF THE LORD

[Pre-Chorus]

A day of vengeance
A day of His wrath
A day when all people must answer to God
But mercy is calling
Before that day comes
Come back to the Father through Jesus, His Son

[Chorus]

The Day of the Lord
The Day of the Lord
A day of His judgment is coming to earth
The Day of the Lord
The Day of the Lord
Turn back to God, put His Kingdom first
Repent and believe in Jesus the Christ
Watch and be ready, now is the time

The Day of the Lord
The Day of the Lord
The Day of the Lord is coming soon, it's coming soon

The Day of the Lord
The Day of the Lord, oh ya
The Day of the Lord is coming soon, what will you do

[Bridge]

This warning is mercy, so open your ears
God takes no pleasure in suffering and tears
open your heart, you don't wanna alone stand alone
Turn to the Father and come to His throne
Cry out for mercy, forsake every sin
Keep His commandments, endure to the end
He gave us His Son so that we might live
The door is still open—He longs to forgive

[Breakdown]

Watch and pray
Turn and obey
Call on His name
While there is time
Watch and pray
Turn and obey
The Day of the Lord is coming some day

[Verse 3]

Then heaven will open and Christ will appear
Faithful and True, every enemy fears
The Word of God comes as the prophets foretold
The King of all kings in His glory behold

THE DAY OF THE LORD

His feet touch the mountain, the mountain divides
He gathers His people and breaks human pride
The kingdoms of men will be taken away
And Jesus Christ will rule over the nations that day

[Verse 4]

Then Satan is bound and deception will cease
The nations will learn God's true way of peace
His law goes from Zion, His truth fills the land
The weapons of war will be taken from all man
The earth will be healed and the deserts will bloom
The darkness will flee and give way to the noon
Year after year they will come to the King
Keeping the Feast as the grateful world sings

[Final Chorus]

The Day of the Lord
The Day of the Lord
A terrible warning, a glorious dawn
The Day of the Lord
The Day of the Lord
The night will surrender when Jesus Christ comes
The King will be reigning over the earth
The nations will learn what God's Kingdom is worth
The Day of the Lord
The Day of the Lord
The Kingdom of God has come, pray thru Jesus
He can protect you.

[Outro]

Turn back to God
While there is time
Watch and be ready
Let your light shine
The Day of the Lord is coming
The Kingdom of God will come

Call upon the name of Jesus and you will be saved.
