

Pure Heart

Give to me a Pure Heart
Pure Heart Pure Heart
Before You God

Put in me a Pure Heart
Pure Heart a Pure Heart
to love You God

Even though I know my Righteousness
is just Like Dirty Rags
without the Blood of A Loving God
Even though I know I'm weak as can be
without Christ within me
that's why I really Need a Pure heart

Give to me a Pure Heart
Pure Heart Pure Heart
To Serve You God

Give to me a PURE Heart
Pure Heart Pure Heart
I can Give to You God

We All Have A Heart that's made of stone
From the Day were Born we Face
World Alone
Until the Day You turn Heart to
Towards Your God
and then He makes your
Heart Pure and soft and no longer hard

Put in me a Pure Heart
Pure Heart, Pure Heart
Filled with Your Love

Give to me a Pure Heart
Pure Heart, Pure heart
From up Above

Pure Heart

Even though I know I need
You Every single Day
Even though I know I need to
Give it all away
I'll Give it All Away If You
Give to me a Pure Heart
Pure Heart

Give to me a pure heart
Pure heart, pure heart
To Glorify you You, God

Put in me a pure heart
Pure heart, a pure heart
And purify me God

Even though I know my righteousness
Is just like dirty rags
Without the blood of a loving God

Even though I know I'm weak as
Can be without Christ within me
That's why I really need a pure heart

Give to me a pure heart
Pure heart, pure heart
To serve You, God

Give to me a pure heart
Pure heart, pure heart
I can give to You, God

We all have a heart that's made of stone
From the day we're born we face
The world alone
Until the day you turn your heart
Towards your God
And then He makes your

Pure Heart

Heart pure as gold
Put in me a pure heart
Pure heart, pure heart
Filled with Your love

Give to me a pure heart
Pure heart, pure heart
From up above

Even though I know I need You every single day
Even though I know I need to give it all away
I'll give it all away if You, Give to me a pure heart
To love You forever my Lord, my God.

Give to me a pure heart
Pure heart, pure heart
