

I Can't Help But Praise You (Jesus)

Every step I take through the
Valley of Death,
Every broken dream,
And every broken heart,
Lives filled with sorrow,
But we still fight.

Your desire for the future
Is in His hands.
Your hope in eternal life is
In His love.

I look to my Redeemer,
I see His sacrifice,
All that He has given
To save my life.

I can't help but praise You,
Jesus.
I can't help but praise You,
Lord.
I can't help but praise You,
Jesus
Praise You more and more.

Always, the total sum of my life
Is tied up in Him Jesus Christ.
All my thoughts and pains—heartfelt—
Are heard by Him Jesus Christ.

I am a new creation,
My heart belongs to Him.

All that I say and do,
I lift my life up to You.
I can't help but praise Him,
I can't help but worship Him,
I can't help but love Him—
Jesus Christ, Jesus Christ.

I Can't Help But Praise You (Jesus)

I can't help but praise You,
Jesus.

I can't help but praise You,
Lord.

I can't help but praise You,
Jesus

Praise You more and more.

I know I don't deserve it
Without Him I'd be lost.
I truly do believe that
Jesus Christ has paid The cost.

We can't help but praise You,
We can't help but praise You, Jesus,
We can't help but praise You—
Jesus Christ, Jesus Christ.

I look to my Redeemer,
I see His sacrifice,
All that He has given
To save my life.

He knows my deepest secret,
He knows where I have been.
When I kept falling further down,
He kept lifting me up
Again, and again.

I can't help but praise Him,
I can't help to worship Him,
I can't help but love Him—
Jesus Christ,
Jesus Christ.

I can't help but praise Him,
I can't help to worship Him,
I can't help but love Him—
Jesus Christ, Jesus Christ.

I Can't Help But Praise You (Jesus)

And when this road I
Travel on
Finally comes to an end,
I know down deep in my heart
He took away all my sin.
Because Jesus is my friend

I look to my Redeemer,
I see His sacrifice,
All that He has given
To save my life.

And on that great day when
He raises me up,
I'll finally be like Him.
We will all be like Him.

I can't help but praise You,
Jesus.
I can't help but praise You,
Lord.
I can't help but praise You,
Jesus
Praise You more and more.

We can't help but praise You,
Jesus Christ.
We can't help but praise You,
Jesus Christ.
