

The One Who the Lord Loves

You are the one who the Lord loves

You are the one He's been thinking of

You're not righteous — you're not perfect

There's nothing that you can give Him

He loves you even though your not worthy

You are the one who the Lord loves

You are the one He's been thinking of

Jesus laid His life down for you

Jesus Christ shed His blood for you

What are you going to do

You might think you're not worthy

Or it's too good to be true

He loves you just like, He loves His son

That's how much God loves you.

Do you love God too?

The One Who the Lord Loves

You are the one who the Lord loves

You are the one He's been thinking of

God so loved the whole world

And He loves you, too

God so loved the whole world

And He loves you, too

You are the one, You are the one

Who the Lord loves, Who the Lord loves

God loved you even before

You knew Him

God loved you even before

You were born

You are the one that the Lord loves

You are the one He's been thinking of

You are the one who the Lord loves

The One Who the Lord Loves

You might think you're not worthy
Or it's too good to be true

He loves you just like, He loves His son
That's how much God loves you.

Do you love God too?

You are the one who the Lord loves
You are the one He's been thinking of

This is the love of God
That He gave His life for me
This is the love of God
That Christ's blood sets us free

No greater love than this
No greater love than this

You are the one, You are the one
Who the Lord loves, Who the Lord loves
