

JUST WANNA BE WITH YOU

I just wanna be with You
Every day of my life
I just wanna be with You
Through the day and through the night
I just wanna be with You
To help me through this fight
I just wanna be with You
You can help me do what's right

I am lost when I am without you
But now, I'm so happy to always be with you.

Help me, Lord — Save me, Lord
Be with me, Lord — Take me, Lord
Hold me, Lord — Love me, Lord
Teach me, Lord — Be with me, Lord

I just wanna be with You
I just wanna be with You
I just wanna be with You
All my life

Every day — Every night
Every moment of my life
I just wanna be with You
Lord Jesus Christ.

I just wanna be with You
In all the good times and the bad
I just wanna be with You
When I'm happy and when I'm sad
I just wanna be with You
In everything I do
Don't let Satan capture me
As long as I'm with You

I am lost when I am without you
But now, I'm so happy to always be with you.

Help me, Lord — Save me, Lord
Be with me, Lord — Take me, Lord

JUST WANNA BE WITH YOU

Hold me, Lord — Love me, Lord
Teach me, Lord — Be with me, Lord

I just wanna be with You
I just wanna be with You
I just wanna be with You
All my life

Every day — Every night
Every moment of my life
I just wanna be with You
Lord Jesus Christ.

I don't know what to do
I just wanna be with You
I don't know what else to say
I just wanna be with You every day
I don't know where else to go
Don't know what else I need to know

I look to Your Son to light my way
I just wanna be with You
Oh Father, I pray in Jesus' name

I am lost when I am without you
But now, I'm so happy to always be with you.

Help me, Lord — Save me, Lord
Be with me, Lord — Take me, Lord
Hold me, Lord — Love me, Lord
Teach me, Lord — Be with me, Lord

I just wanna be with You
I just wanna be with You
I just wanna be with You
All my life

Every day — Every night
Every moment of my life
I just wanna be with You
Lord Jesus Christ.
