

# **OH, MY FATHER**

Oh, my Father, Oh most Holy One  
Oh, my Father, Holy is Your name  
Oh, my Father, who art up in Heaven  
Oh, my Father, Heaven is Your throne

You are Eternal God  
You are most glorious, glorious  
You are most loving God  
Created everything  
Your love fills the universe  
You touch every living thing

Your Love reaches down from Heaven  
And all around the Earth.

Oh, my Father, Oh most Holy One  
Oh, my Father, Holy is Your name  
Oh, my Father, who art up in Heaven  
Oh, my Father, Heaven is Your throne

I know You love me, God  
I know You want me, God  
I know I'll be with You  
Loving you Forever and ever  
Loving you Forever  
Forevermore

Oh, my Father — I know You hear me, God  
You take care of most everything  
Eternal Father — forgiving One

# OH, MY FATHER

I'm not worthy, but You still love me  
Please, Oh My Father, take care of me

You take away my sin  
And make me whole again  
Through the righteous blood  
Of Jesus Christ  
You take me through the fire  
And mold my empty soul  
And teach me the ways of love  
I am happy You're in control

Oh, my Father, Oh most Holy One  
Oh, my Father, Holy is Your name  
Oh, my Father, who art up in Heaven  
Oh, my Father, Heaven is Your throne

I know You love me, God  
I know You want me, God  
I know I'll be with You  
Loving you Forever and ever  
Loving you Forever  
Forevermore

Your Love reaches down from Heaven  
And all around the Earth.

Oh Father — of Jesus  
Who died for my every sin  
Oh Father — I thank You

# **OH, MY FATHER**

And I want to do everything I can  
I want to do all I can

I pledge my life to You  
I pledge my heart to You  
Oh, my Holy Father  
I just want to live with You  
From now till Forever  
I pray Thy Kingdom come  
And that Your will be done  
Throughout the whole universe  
For not just me but for everyone

Oh Father — Glorious One  
Glorify Yourself in me  
Oh Father — Oh Lovely One  
Guide me to Eternity

Oh, my Father, Oh most Holy One  
Oh, my Father, Holy is Your name  
Oh, my Father, who art up in Heaven  
Oh, my Father, Heaven is Your throne  
Oh, my Father,  
Oh, my Father,  
Oh, my Father, I love you.
