

Action

They say once saved, always saved
But, maybe that's not true.
Once saved, always saved
maybe it's up to you.

On your knees you ask God, please.
Will He show you what to do.
Will He help you to take action.
And will He live inside of you

You need to take
Action,
and walk the walk.
Action,
not just talk the talk.
Action,
act gotta act right now
Action,
Jesus is waiting to show you how.

Action, action
Conquer fear.
Action, action
Learn to hear
God is saying
"Take action now."

Jesus said, "Go your way and sin no more."
Jesus said, "You want to follow Me?"
"Repent and sin no more".

Action — keep repenting and learn the way to live.
Action — learn what Gods Book can give.
Action —to learn which way is Gods way
Action — keep on going every day
