

Somehow Someday Someway

Somehow someday we will!
Love one another and live
A better way

Somehow someday
We will be one with
The Father and
Jesus Christ that day

Somehow someday
We will see Him
Working miracles in
Our lives when we pray

Somehow someday
Things will get better
And no one can ever take it away

Somehow someday someway
We'll be together with Jesus Christ!
That day.

Somehow, He will take over
Someday, will soon be here
Someway, He's gonna make it true

Somehow Someday Someway

On that most glorious day.

Somehow someday, Somehow someday, Somehow
someday

is today

Somehow someday, Somehow someday, Somehow
someday

Someway

Somehow someday

Things will be brighter!

As God wipes our tears!

Somehow someday

There'll be no more sorrow

And no more pain no more

Somehow someday, Somehow someday, Somehow
someday

is today

Somehow someday, Somehow someday, Somehow
someday

Someway

There a time that's coming and soon will be hear.

I want you to get the message

I wanna sing it loud and clear

Somehow Someday Someway

Oh yes, Jesus Christ is coming
Somehow Someday Someway
And no one's gonna stop Him
Anyway

Somehow someday, Somehow someday, Somehow
someday
is today
Somehow someday, Somehow someday, Somehow
someday
Someway

Somehow, He will take over
Someday, will soon be here
Someway, He's gonna make it true
On that most glorious day.

Somehow someday
There'll be a better tomorrow
It's just knocking at the door
In the twinkle of an eye, He will be here

Somehow someday
We'll all be together
With Jesus forever

Somehow Someday Someway

Somehow someday
We will all get along
Somehow someday Somehow someday Somehow
someday

We will all know right from wrong
And as times keep getting harder
And the world is getting darker & darker
Day-by-day

There will come a day
Not too far away —
Somehow someday Jesus will be here
And fix it all someday
So, let's all pray that somehow someday
Will soon be today, someday

Somehow someday, Somehow someday, Somehow
someday
is today
Somehow someday, Somehow someday, Somehow
someday
Someway

Somehow, He will take over
Someday, will soon be here

Somehow Someday Someway

Someway, He's gonna make it true
On that most glorious day.
