

GIVE ME STRENGTH

Give me strength, Oh Holy One,
Give me strength, From on high.
Give me strength to overcome
The evil one,
through my Lord Jesus Christ.

Give me strength, Eternal One,
Give me strength to change my life.
Make me new through the Blood of Christ.
Remove the scales from my eyes.
And help me to realize what I'm meant to do, for You

Give me strength, Give me strength, Give me strength oh Lord
Give me strength, Give me strength, to win the war

Our fight is with the devil, he's wily and he's mean
With the strength the You give me Father and with Jesus Christ in me.
I will win

Give me strength, Give me strength, Give me strength oh Lord

Give me strength
to stand before You,
without shame. without shame.

Give me strength
to make it through,
all the pain along the way.

Give me strength, Oh Holy One,
Strength from on high. Please give me strength.

I am strong in the Father.

GIVE ME STRENGTH

I am weak in my own skin.

I am strengthened in the Blood of Christ.

Through my weakness God is glorious.

Through the love of God, I testify: I am victorious
on my own, I am weak, but with Him, I am strong.

Give me strength, O Holy Father,
because You love me like You do,

You give me strength. Because know that I love You too.

Give me strength — Oh Holy One,
from on high. Give me strength.

He is strong — but I am weak.

He is strong — but I am weak.

Jesus is strong and He strengthens me

Give me strength to overcome

The evil one,

through my Lord Jesus Christ.

Give me strength to win this war

Against my enemy

through my Lord Jesus Christ.

I am strong in the Father.

I am weak in my own skin.

I am strengthened in the Blood of Christ.

Through my weakness God is glorious.

Through the love of God, I testify: I am victorious
on my own, I am weak, but with Him, I am strong.

Give me strength, Give me strength, Give me strength oh Lord

Give me strength, Give me strength, to win the war

GIVE ME STRENGTH

With Christ I am strong but on my own I am weak.

So, I reach out to our loving God. Who always strengthens me.
He doesn't judge me because the penalty was paid.

Not a barbell or a gym will keep me close to Him
Not pulling up, but down on my knees so I can worship Him

God gives me strength every day that I need to worship Him.
Give me strength, Give me strength, Give me strength oh Lord

Through trials by the score,
I don't want to fight anymore.
I am weak, but You are strong.

Give me strength! So, I can even up the score.
Give me strength — Oh Holy One,
from on high. Give me strength.

Give me strength to fight the father of lies
It's hard to make it thru the day, without Gods strength
Our fight is with the devil, he's wily and he's mean
With the strength that You give me Father and with Jesus Christ in me.
I will win, So Most High please give me strength so I will win

I am strong in the Father.
I am weak in my own skin.
I am strengthened in the Blood of Christ.
Through my weakness God is glorious.
Through the love of God, I testify: I am victorious
On my own, I am weak, but with Him, I am strong.

GIVE ME STRENGTH

Give me strength, Give me strength, Give me strength oh Lord
Give me strength, Give me strength, to win the war

He is strong — but I am weak.
He is strong — but I am weak.

Jesus is strong and He strengthens me
So, please God almighty please,
Give me strength. To Believe.
