

# Gotta Get It Right

No time left to go  
There's nothing in your way

Gonna get it right Gonna get it right  
get it right now, today

Nothing left to slow you down  
Gonna make it all away  
Gonna do it everyday  
Gonna take my time and get it right  
And learn the better way get it right today

Gotta get it right  
Get it right today

Time passes slowly  
When you're young  
And so pretty  
And confident of who you are  
And all the while  
You're just wishing on a shooting star

Gonna get it right Gonna get it right  
Gonna get it right now  
Gonna get it right Gonna get it right  
Gonna get it right now

Nothing left to slow you down  
Gonna make it all away  
Gonna do it everyday  
Gonna take my time and get it right today  
Gonna take my time and do it all the way

get it right

# Gotta Get It Right

You know that it is Time right now  
Get it right yes, it is  
I said that it's Time now.

there's no time for you to fight  
all the feelings you have inside  
there's no time to hold things back  
there's no time like now  
to get on the right track

Gotta get it right  
Gotta get it right  
Gotta get it right  
right now,

to Get it right and go the right way  
I wanna tell you that, Jesus is the way.  
Jesus is the right way.

I said!

Jesus is the way the truth and the life  
He always wants to help you to  
Get it right  
He wants to lead you to a new life  
Then if you get it right  
He'll give you eternal life

Gotta get it right  
Gotta get it right  
Gotta get it right  
Learn how.

Nothing left to lose

# Gotta Get It Right

Time to throw the dice  
Gotta step up your game  
Gotta fight the good fight

Nowhere left to turn  
Now it's all up to you  
Give it all you can  
And do the best you can do

Gotta get it right  
Gotta get it right  
Gotta get it right  
right now, right now

But when all your days go by too quickly  
And your dreams are a like a lost memory  
Just open up your eyes and look  
At what you've turned out to be.  
Would you say you got everything right

Jesus is the way the truth and the life  
No one can get to the father except thru Him  
Jesus is the way the truth and the life  
No one can get to the father except thru Him

Gotta get it right  
Gotta get it right  
Gotta get it right  
right now, right now

gotta get it right, let Jesus Christ into your  
life  
He will make sure you get it right  
Yes you gotta get it right
