

Faith Like a Shield

I have faith like a shield.
It holds me up when I'm falling down.
faith like a shield,
lifts me up to a higher ground.
faith like a shield,
It picks me up when I'm feeling down.
Protected by God's love, from up above

Faith like a shield from up above
Faith like a shield filled with His love
You fight the Devil, with God's love
You fight the Devil, with God's love

So, I have faith like a shield.
With the sword of the Spirit in one hand,
The helmet of salvation on my head,
the breastplate of righteousness,
Which comes from Jesus Christ,
I will rush into battle because
I have the armor of God
I have faith that's like a shield,
From up above.

Faith like a shield, it helps me to fight the fight
Faith like a shield, it helps me to do what's right

Faith Like a Shield

Faith can move a mountain,
If you only believe a little bit.
Faith will turn a stone heart
Into soft, warm heart of flesh.
Faith will fill an empty soul
Looking for a reason to live.
Faith in the Father and the Son
And what they have to give

Faith is for the asking,
Faith in life everlasting,
Faith in an ancient Word
That tells the truth.

You just have to let your
Faith guide you.
You have the shield of faith inside you
Helping you to know what's true
Then God leaves it up to you

Faith like a shield from up above
Faith like a shield filled with His love
You fight the Devil, with God's love
You fight the Devil, with God's love
