

You Are Holy – I Am Grateful

You are holy – I am grateful!!
That You **found** me

You are holy – I am grateful!!
That You care about me

you are holy – I am grateful, You are holy – I am grateful, You are holy – I am grateful
That You made me

Why would a holy God—such as You—consider me
Why would a holy God—such as You—care about me

How can a wretched man such as me **be holy too.**
How can a wretched man such as me be like You

you are holy – I am grateful, You are holy – I am grateful, You are holy – I am grateful
I am grateful - grateful That You called me

You are Holy please make me holy
I said You are Holy please make me holy
You are holy – I am grateful
That You lived for me

You are holy – I am grateful
That You died for me

Why would a holy God such as You
Think of me
Why would a holy God such as You
wanna comfort me

you are holy – I am grateful, You are holy – I am grateful, You are holy – I am grateful
I said grateful - I am grateful That You saved me

You are Holy please make me holy
I said You are Holy please make me holy

You Are Holy – I Am Grateful

How can a wretched man such as me **be holy too.**
How can a wretched man such as me be like You

Why would a holy God such as You
Think of me
Why would a holy God such as You
wanna comfort me

You are holy – holy God, You are holy – holy God,
You are holy – holy God, You are holy – holy God,

You are holy – I am grateful. You are holy – I am grateful
Lord, Your holiness Fills the universe
With Your love

Your grace is like a blanket That warms my soul
Your loving arms can stretch around the whole world

you are holy – I am grateful, You are holy – I am grateful, You are holy – I am
grateful.
I said grateful - I am grateful that You love me.

How can a wretched man such as me **be holy too.**
How can a wretched man such as me be like You

I'd have no hope for tomorrow
If it were not for You!

There would be no reason to go on
I wouldn't wanna make it through

All of my gratefulness
And all my faithfulness
Belong only to You

You are holy – I am grateful, You are holy – I am grateful, You are holy – I am
grateful
That You are holy

You Are Holy – I Am Grateful

Why would a holy God such as You
Think of me
Why would a holy God such as You
wanna comfort me

You are holy – I am grateful, You are holy – I am grateful, You are holy – I am
grateful
I am grateful that You are there.

you are holy – I am grateful You are there
you are holy – I am grateful You are there
you are holy – I am grateful You are there

That You care.
