

All Things Will Be Made New

On that last great day,
when we all stand before
God's throne
in the presence of the Father
& the Lamb (His Son)

We will finally worship Him
in spirit & in truth
because the Holy Lamb of God
died for all of you

There will be a new heaven
& a new earth
where only righteousness dwells

All things will be made new
Like only God can do
All things will be made new
God will do it for me and you

Yes, I said a new heaven
and new earth and there will be no more hell
We will be walking in the light
In the light of God almighty and Jesus Christ

All things new, all things new, that's what He'll do
All things will be made new

and He will make all things new
and He will make all things new
and He will make all things new
For me and for you

All Things Will Be Made New

Jesus Christ—He paid the price
and God gives us all eternal life
on a sea of glass we all stand to
worship Him and His Son Jesus Christ

New Heaven and New Earth
in God's in the new heaven & earth
New Heaven and New Earth

Heading for a time of Tribulation
Heading for a time of Pain
Don't worry, we'll soon be out of it
Then there will be Son shine just like
After a rain
all things will be made new
God says I make all things new
For the son of man and for you.

There will be a new heaven
and a new earth
where only righteousness dwells

All things will be made new
Like only God can do
All things will be made new
God will do it for me and you

All things new, all things new, that's what He'll do
All things will be made new

and He will make all things new
and He will make all things new
and He will make all things new

For me and for you

All Things Will Be Made New

Nothing that's here today
It makes all old things pass away
He'll make all things new
Here we are at the end
We'll all will fall on our knees to pray
So all that we have done will be seen by the Holy One.
We'll look upon Jesus Christ
God's one and only Son

There will be a book of life, with—
with the names of the saints in it
And God wants to see your name in it
On the sea of glass, beside the Lamb of God,
And you and I will be a part of it

New Heaven & New Earth
Thy kingdom come; Thy will be done
New Heaven & New Earth
Thy will is to have a family
God's will is to have a family
God's will is to have a family
With you along with His Son Jesus Christ

New Heaven and New Earth,
the day is coming for the Son to come
And make it true

And when He comes you will hear
a trumpet blast & the heavens will shout
And the clouds roll back like a scroll
you will see the Son of God Coming in Glory
He's coming To take control

All Things Will Be Made New

and He will make all things new
and He will make all things new
and He will make all things new

For me and for you

There will be a new heaven
and a new earth
where only righteousness dwells

All things will be made new
Like only God can do
All things will be made new
God will do it for me and you

All things new, all things new, that's what He'll do
All things will be made new

The last great day!
The new heaven & new earth
God with man forever together they will stand
And God will make all things new

All things will be made new; All things will be made new

You can be there too.

and He will make all things new
and He will make all things new
and He will make all things new

For me and for you
